Falling Again A Bwmm Interracial Romance:

Falling Again (a Bwmm Interracial Romance) Tina Martin, 2014-12-12 Geneva Knight's life is finally going the way she wants it. She's newly engaged to Darnell Curry and has managed to open her own day spa without a penny of her father's millions. But her dream of being a business owner has left her broke and her business struggling to stay afloat. Already in debt, she can't afford another bank loan. Then she gets the call her father Alfred Knight has passed away. Geneva didn't have a relationship with her alcoholic and mentally abusive father, so instead of grieving his death, she's zeroing in on his money. This is just what she needs to buy her own building and keep her business thriving. But getting her hands on her father's money won't be easy. Alfred has left stipulations for Geneva in his will. If she wants to receive her inheritance, she must 1. Leave Atlanta, 2. Return to her father's home, the home where she grew up in Winston Salem, North Carolina, and 3. She must live there for the duration of three months with Wyatt McDowell, her old high school flame. Geneva realizes that this is just another control tactic of her father, even after his death. But she can't deny that she needs this money. Can she endure three months of bad memories in her family home? Will spending close time with Wyatt ignite old feelings they once had for each other? And will love ever be more important to her than success and money?

Triple Dare (A BWWM Interracial Romance) Tasha Hart, 2022-02-09 Love can be bittersweet when you take it nibble by nibble. Just make sure you don't break off more than you can chew. Bridgid wasn't looking for love when she left her corporate job and returned to her small Texas hometown, but Momma is knocking on Heaven's door and someone has to manage the family business. Joel is only there to help with the final arrangements for their small grieving family and offer counseling to Bridgid in her time of loss. His heart was never on the table. There's just one problem: She's falling in love with him. For a girl who has her eyes set on the bright lights and fast pace of the big city, giving your heart to someone who won't leave their small town is definitely a problem. No matter if Joel is a good, decent, honest man that she can picture herself with forever. Now something's cooking in the kitchen, and it's piping hot, don't burn your mouth as you sink your teeth into a romance so sweet. It has to take place in a bakery.

Triple Down (A BWWM Interracial Romance) Tasha Hart, 2022-02-22 Trulia Grant left the big city to find herself. Instead, she found a man who helped her discover a whole new world. Trulia was always the runt of the litter. Out of the three Grant sisters, she was always the quirky one, different and paved her own path, no matter the obstacles in her way. So it wasn't surprising that she never expected to move back to her close-minded hometown, but that's not all she never expected. She never expected someone like Tyson Hayes to enter her life. This white boy is gorgeous, laid back, and has a quiet charm that pulls at her heart. Where Trulia thrived on the energy of New York City, Tyson has a laid-back and easy-going attitude. He's not her type, and she's definitely not his. But something brings them together and forces them to crave one another when they're apart. Can these two figure out what is between them if these feelings are real before they get hurt? And hopefully before other people hurt them.
