

Criteria for Measurement of Progress (from GTEP manual)

- “Specific criteria for measurement of progress on the PDP should be described. Measurement of progress involves keeping a record of successful completion of activities and determining whether or not the teacher’s performance has improved in the targeted areas. ‘Improvement in targeted areas’ means previously marked areas have been judged to show improvement. The evaluator makes this judgment. For teachers who have received a required plan for specific needs development, progress toward completion of the PDP shall be evaluated during the next evaluation cycle if the individual is employed in the same school system. <http://www.pelham-city.k12.ga.us/docs/GTEP%20manual.pdf>
