

THE TWO MOST IMPORTANT RULES OF FIREARMS SAFETY

WHAT TO KNOW BEFORE YOU TAKE THAT FIRST SHOOTING LESSON...

You should **always** assume all guns are loaded and ready to fire, even if you know otherwise; consistency in handling will develop good habits. And remember: conscientious firearms handling is just as much for **putting people around you at ease** as it is for your own personal safety.

The excitement of shooting can cause lapses in the observation of these rules, particularly for new shooters. Stand behind a buddy and **watch for muzzle direction and finger position** before and after every shot; use a light touch on the shoulder to signal a violation.
