Scattershot Bernie Taupin, 2023-09-12

In this New York Times bestseller experience the evocative clear eyed and revealing memoir by Bernie Taupin the lyrical master and long time collaborator of Elton John I loved writing I loved chronicling life and every moment I was cogent sober or blitzed I was forever feeding off my surroundings making copious notes as ammunition for future compositions The thing is good bad or indifferent I never stopped writing it was as addictive as any drug This is the memoir music fans have been waiting for Half of one of the greatest creative partnerships in popular music Bernie Taupin is the man who wrote the lyrics for Elton John who conceived the ideas that spawned countless hits and sold millions and millions of records Together they were a duo a unit an immovable object Their extraordinary half century and counting creative relationship has been chronicled in biopics like 2019 s Rocketman and even John s own autobiography Me But Taupin a famously private person has kept his own account of their adventures close to his chest until now Written with honesty and candor Scattershot allows the reader to witness events unfolding from Taupin s singular perspective sometimes front and center sometimes from the edge yet always described vibrantly with an infectious energy that only a vivid songwriter s prose could offer From his childhood in the East Midlands of England whose imagination was sparked and forever informed by the distinctly American mythopoetics of country music and cowboy culture to the glittering star studded fishbowl of 70s and 80s Beverly Hills Scattershot is simultaneously a Tom Jones like picaresque journey across a landscape of unforgettable characters as well as a striking first hand account of a creative era like no other and one man s experience at the core of it An exciting multi decade whirlwind told in a non linear yet grounded narrative Scattershot whizzes around the world as we ride shotgun with Bernie on his extraordinary life We visit Los Angeles with him and Elton on the cusp of global fame We spend time with him in Australia almost in residency at an infamous rock n roll hotel in an endless blizzard of drugs And we spend late late night hours with John Lennon with Bob Marley and hanging with Frank Sinatra And beyond the world of popular music we witness memorable encounters with writers like Graham Greene painters like Andy Warhol and Salvador Dali and scores of notable misfits miscreants eccentrics and geniuses known and unknown Even if they re not famous in their own right they are stars on the page and we discover how they inspired the indelible lyrics to songs such as Tiny Dancer Candle in the Wind Bennie and The Jets and so many more Unique and utterly compelling Scattershot will transport the reader across the decades and around the globe along the way meeting some of the greatest creative minds of the 20th

century and into the vivid imaginings of one of music's most legendary lyricists

Jewish Bible Translations Leonard Jay Greenspoon, 2020-11 *Jewish Bible Translations* is the first book to examine Jewish Bible translations from the third century BCE to our day. It is an overdue corrective of an important story that has been regularly omitted or downgraded in other histories of Bible translation. Examining a wide range of translations over twenty-four centuries, Leonard Greenspoon delves into the historical, cultural, linguistic, and religious contexts of versions in eleven languages: Arabic, Aramaic, English, French, German, Greek, Hungarian, Italian, Russian, Spanish, and Yiddish. He profiles many Jewish translators among them: Buber, Hirsch, Kaplan, Leeser, Luzzatto, Mendelssohn, Orlinsky, and Saadia Gaon, framing their aspirations within the Jewish and larger milieus in which they worked. Greenspoon differentiates their principles, styles, and techniques, for example, their choice to emphasize either literal reflections of the Hebrew or distinctive elements of the vernacular language and their underlying rationales. As he highlights distinctive features of Jewish Bible translations, he offers new insights regarding their shared characteristics and their limits. Additionally, Greenspoon shows how profoundly Jewish translators and interpreters influenced the style and diction of the King James Bible. Accessible and authoritative for all, from beginners to scholars, *Jewish Bible Translations* enables readers to make their own informed evaluations of individual translations and to

of Man This forceful rebuke of aristocratic rule and persuasive endorsement of self governance became one of the most influential political statements in history Thomas Paine asserts that human rights are not granted by the government but inherent to man s nature He argues that the purpose of government is to protect those rights and if a government fails to do so its people are duty bound to revolution The Age of Reason In this philosophical treatise on theology Paine rejects the notion of divine revelation saying it is revelation to the first person only and hearsay to every other He proceeds with a detailed analysis of the Bible s inconsistencies and historical inaccuracies to conclude that it cannot be a divinely inspired text Arguing against all forms of organized religion he declares nature itself to be the only true testament to the existence of a divine creator
