Elton,2017-03-31 This book is intended to be a repository of the salient information currently available on the identification of cloth seals and a source of new material that extends our understanding of these important indicators of post medieval and early modern industry and trade Interactive TV Standards Steven Morris,Anthony Smith-Chaigneau,2012-08-06 For any digital TV developer or manager the maze of standards and specifications related to MHP and OCAP is daunting you have to patch together pieces from several standards to gather all the necessary knowledge

you need to compete worldwide The standards themselves can be confusing and contain many inconsistencies and missing pieces Interactive TV Standards provides a guide for actually deploying these technologies for a broadcaster or product and application developer Understanding what the APIs do is essential for your job but understanding how the APIs work and how they relate to each other at a deeper level helps you do it better faster and easier Learn how to spot when something that looks like a good solution to a problem really isn't Understand how the many standards that make up MHP fit together and implement them effectively and quickly Two DVB insiders teach you which elements of the standards that are needed for digital TV highlight those elements that are not needed and explain the special requirements that MHP places on implementations of these standards Once you've mastered the basics you will learn how to develop products for US European and Asian markets saving time and money By detailing how a team can develop products for both the OCAP and MHP markets Interactive TV Standards teaches you how to leverage your experience with one of these standards into the skills and knowledge needed to work with the critical related standards Does the team developing a receiver have all the knowledge they need to succeed or have they missed important information in an apparently unrelated standard Does an application developer really know how to write a reliable piece of software that runs on any MHP or OCAP receiver Does the broadcaster understand the business and technical issues well enough to deploy MHP successfully or will their project fail Increase your chances of success the first time with Interactive TV Standards

Woody's Last Laugh James Christopher Haney, 2021-11-26 When I was appointed Co chair of the U S Fish and Wildlife Service team charged with preparing a preliminary recovery plan for the Ivory billed Woodpecker I had naive notions about the work ahead Dr Haney's book would have been an immense help in navigating the many strange behaviors misconceptions and bitter disagreements that ensued Woody's Last Laugh reveals that I too fell to faulty thinking about the Ivory bill and the question of its continued existence or extinction I highly recommend this book for anyone involved in endangered species recovery as a way to avoid the many cognitive biases that we all face Jon Andrew Co chair of Ivory billed Woodpecker Recovery Team retired Woody's Last Laugh explores a simmering controversy amid scientists conservationists birders and the media the supposed extinction of American ivory billed woodpecker Among the first to identify rampant mental errors inside conservation and environmental professions the book identifies 53 distinct kinds of cognitive blunders psychological biases and logical fallacies on both sides of the woodpecker controversy Few species have ever provoked such social rancor Why are rumors of its persistence so prevalent unlike other near or recently extinct animals Why are we so bad mannered with each other about a mere bird How is it that we cannot agree even on whether a mere bird is alive or dead Woody's Last Laugh uncovers why such mysteries so mess with our heads By exploring uncharted borders between conservation and mental perception new ways of evaluating truth and accuracy are opened to everyone Author Dr J Christopher Haney is a biologist conservation scientist and lifelong birder For 12 years he was Chief Scientist at Defenders of Wildlife In 2010 following the Deepwater Horizon oil blowout the

U S Fish Wildlife Service invited him to lead the largest pelagic study of marine birds ever conducted in the Gulf of Mexico Since 2013 he has been president of Terra Mar Applied Sciences an independent public interest conservation research firm which he founded If there is one lesson Dr Haney hopes his book delivers it is to not overvalue our thinking skills Human reason is fallible even among scientists and technical experts To improve our essential relationship with nature conservation practices will need to devote as much attention to the unbridled thoughts as the unswerving sentiments Dead or alive however the ivory bill got the last laugh on us all *American Forests* ,1960
