

Student Learning Objectives Form

Teacher Name	Angela Alvarez	Date	10/30/2017
School	Central Elementary	Appraiser Name	Dr. Chavez
Grade	Four	Subject Area	ELAR

Step 1: What is the focus for my SLO?

a. Identify the content area for focus in the SLO.

Writing

b. What is the SLO skill focus statement for this content area or subject?

Without prompting, students will use appropriate graphic organizers and brainstorming tools to plan and organize writing that leads to a thorough and well-sequenced first draft.

c. What led to the decision to focus on this content area and the SLO skill focus?

Students need to be able to plan and organize their writing before actually writing. This is something that will be the basis for their writing in any subject area and in any writing style throughout school. They usually struggle with it - they don't do it unless told to and when they do, it is typically very rushed. In the past, my teaching has tended to focus on the mechanics of writing (spelling, sentence structure) much more than planning and organizing, so it's a potential growth area for me as a teacher.

d. What TEKS for the content area or subject correspond to these most important skills? You may provide an enumerated list of TEKS, but be prepared to share the verbiage of the TEKS with your appraiser.

(15) Writing/Writing Process. Students use elements of the writing process (planning, drafting, revising, editing, and publishing) to compose text. Students are expected to:
(A) plan a first draft by selecting a genre appropriate for conveying the intended meaning to an audience and generating ideas through a range of strategies (e.g., brainstorming, graphic organizers, logs, journals);
(B) develop drafts by categorizing ideas and organizing them into paragraphs.
