Fame Jr Script:

The Immortal Count Arthur Lennig, 2013-07-24 This definitive biography of the silver screen legend is a moving lively witty sad book that revives once more the long dead Count Dracula Kirkus Reviews Bela Lugosi won immediate fame for his starring role in the 1931 film Dracula the role that would forever define his persona After a decade of trying to broaden his range Lugosi resigned himself to a career as the world's most recognizable vampire often playing opposite his horror film rival Boris Karloff When he died in 1956 Lugosi could not have known that vindication of his talent would come his face would adorn theaters and his Hungarian accent would be instantly recognized across the globe In 1974 silent film expert Arthur Lennig published *The Count* a highly regarded biography of the unsung actor Now Lennig returns to his subject with a completely revised volume more than twice the length of the original *The Immortal Count* provides deeper insights into Lugosi's films and personality Drawing upon personal interviews studio memos shooting scripts research in Romania and Hungary and his own recollections Lennig has written the definitive account of Lugosi's tragic life

Lionel Barrymore Kathleen Spaltro, 2024-08-13 Once called the most gifted character actor of our time by Broadway theater producer Arthur Hopkins Lionel Barrymore 1878-1954 was part of the illustrious Barrymore acting dynasty Although he garnered success on stage and screen and was a talented actor writer director visual artist and composer he never quite escaped the shadow of his family members including his brother John famous for his leading roles Barrymore won the Academy Award for Best Actor in *A Free Soul* 1931 and was nominated for Best Director for *Madame X* 1930 However he is best known for his role as Mr Potter in *It's a Wonderful Life* 1946 and as the voice of Ebenezer Scrooge in radio broadcasts of *A Christmas Carol* from 1934 to 1953 He spent the last two decades of his career playing versions of his signature character the curmudgeonly but lovable gentleman in a variety of films from *You Can't Take It With You* 1938 to *Key Largo* 1948 Barrymore worked alongside some of Hollywood's most recognizable names including Humphrey Bogart James Stewart Frank Capra Lauren Bacall Clark Gable and Ava Gardner and his legacy is enshrined at the Hollywood Walk of Fame where he has two stars one for radio and one for film In *Lionel Barrymore Character and Endurance in Hollywood's Golden Age* Kathleen Spaltro examines Barrymore as an individual rather than just a supporting cast member of the famous dynasty This comprehensive study divides Barrymore's life into three compelling acts Act One follows Barrymore's early days his failed endeavor as a visual artist his performances in the family vaudeville acts his first silent motion pictures and his greatest successes and failures on the stage Act Two details Barrymore's establishment as a fixture at MGM his foray into directing his success as the first actor to thrive in the talkies and his estimable Oscar winning performance Finally Act Three expounds on Barrymore's curation of his trademark character the endearing grouch his exploits in radio and his fateful final years Spaltro also unearths Barrymore's personal challenges recounts his difficulties with and sometimes estrangement from members of his family and delves into the devastating losses Barrymore suffered his divorce the deaths of his two daughters and later the death of his second wife and

the accidents that eventually led to permanent disabilities requiring the use of a wheelchair Lionel Barrymore is a detailed multifaceted portrait of a brilliant character actor **Ebony**, 1982-09 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine

Oak Cliff and the Missing Pieces Gregory M. Hasty,2023-08-23 Oak Cliff and the Missing Pieces is the first book

written about the area's history in over three decades. It not only captures the beginnings of the early settlement, it takes the reader beyond a century and a half of growth and tracks how the community has evolved. The book is unique in that it captures the history of West Dallas in conjunction with its Oak Cliff neighbor and how the two transformed together over time into what we see today. The collection of historical accounts and hundreds of photos identify individuals and places of prominence, finally memorialized in one anthology. The narrative also takes readers through facts and stories that have been ignored or concealed, revealing an authentic depiction of how the community was at times abused and neglected. Readers will enjoy this introspective examination of the area south and west of the Trinity and will once and for all put together the missing pieces of the storied land that has long been misunderstood. All proceeds from the sale of Oak Cliff and the Missing Pieces will go to benefit non-profit organizations in Oak Cliff and West Dallas. Junior Knowledge Book Sura College of Competition, 2004-08

The Media and Political Process Dr. Eric Louw, 2005-04-18. Has the mediaization of politics played any role in encouraging a growing cynicism and disillusionment with political processes in Western democracies? This book examines the increasingly topical subject of the political process and assesses the nature of the relationship between mass media and the political process. The impact of mediaization on existing political frameworks. The implications of mediaized politics. Eric Louw uses a number of case studies, including political celebrity, war and terrorism, to provide a media studies perspective on how media workers, journalists, public affairs officers, spin doctors impact upon the political process. The book also considers the media's role in promoting a range of twentieth-century ideologies and emerging dominant discourses. It will be important reading for students of Media, Politics, Cultural Studies, Journalism and Public Relations. **White Supremacy and the American Media** Sarah D. Nilsen, Sarah E. Turner, 2021-11-29. This volume examines the ways in which the media, including film, television, social media, and gaming, has constructed and sustained a narrative of white supremacy that has entered mainstream American discourse. With chapters by today's preeminent critical race scholars, the book looks in particular at the ways media institutions have circulated white supremacist ideology across a wide range of platforms and texts that have had significant impact on shaping our current polarized and racialized social and political landscape. Systematically scrutinizing every media platform, this volume provides readers with an understanding of the ways in which media has provided institutional support for white supremacist ideology and presents them with the means to examine and analyze the persistence of these narratives within our racial discourse, thus offering the necessary knowledge to challenge and transform these racially divisive and destructive narratives. *White Supremacy and the American Media* will be of interest not only to scholars working in critical race studies and popular culture in the United States but also to those working in the fields of Film and Television Studies, Sociology, Geography, Art History, Communication, and Media Studies, Cultural Studies, American Studies, Popular Culture, and Media Studies.
