Activating Your Personal Faith to Receive: 25 Biblical Principles for Releasing the Power Within! Rich Brott, 2000-09 Author Rich Brott notes that faith is a choice an act of the human will It is a deliberate choice to place confidence in God and His Word Unbelief is a sin because it is a deliberate choice to withhold confidence in God and His Word Faith is a receiving of the truth an embracing of the truth and a commitment to the God of truth And commitment always produces action That is why faith without works is dead With no action there is no

commitment With no commitment there is no faith In this book you will find 25 faith building principles that will enlarge your capacity to receive the very best that God has to offer you

**How to Receive Prosperity & Provision** Rich Brott, 2008 3 John 2 says Beloved I pray that you may prosper in all things and be in health just as your soul prospers Proverbs 11 25 notes A generous man will prosper he who refreshes others will himself be refreshed Jeremiah 29 11 states For I know the plans I

have for you declares the LORD plans to prosper you and not to harm you plans to give you hope and a future Author Rich Brott begins with the fact that God wants to provide good things for His children He wants for you to prosper and be successful in your God given gifts and callings But God is no vending machine nor does His promises come without conditions

If God cannot trust you with a hundred dollars now how can He trust you with a thousand or a hundred thousand Christians have access to unlimited and unimaginable resources But with this access comes accountability This is a lot of trust that God places in our lives It is more than just finances It is our entire life and how we handle it with faithfulness responsibility

accountability honesty and integrity You can learn how to Receive the Prosperity and Provision of God

All the Financial Scriptures in the Bible with Commentary Rich Brott, 2008 Think of time as your personal resource and you will be more likely

to use it wisely      *A Family's Guide to the Military For Dummies* Sheryl Garrett, Sue Hoppin, 2009-01-06 Expert advice on all aspects of military life *A Family's Guide to the Military For Dummies* is for the millions of military dependents family members and friends who are looking for straightforward guidance to take advantage of the benefits and overcome the challenges unique to life in the military This comprehensive guide covers such key topics as introducing military life to readers new to the armed forces financial planning relocation deployment raising kids alone while a partner is away and taking advantage of the available benefits It offers tips and advice for dealing with emotions that surround events like deployments deciphering the acronyms used in daily military life forming support groups keeping track of a loved one's whereabouts and surviving on a military base in a foreign country      **Biblical Principles That Create Success Through Productivity** Rich Brott, 2008 According to author Rich Brott it is human nature to want something for nothing or at least to receive a maximum amount of return for a minimum amount of effort The old adage notes that we should work smarter not harder There is no doubt that the industrial revolution changed society forever But is there ever a legitimate excuse to not continue working hard But the bottom line is this For you to be successful with consistency you will have to give up the ever present desire to live a life of leisure fulfilling every personal whim and want and choose to remain productive for a good part if not all of your life God honors hard work He honors productivity It is the author's belief that God's method for success is to bless the good productive work ethics of ordinary people      *Successful Time Management* Rich Brott, 2008 Think of time as your personal resource and you will be more likely to use it wisely      **Prosperity Has A Purpose** Rich Brott, 2008 Some people teach that we should give to get Others teach that we should sacrifice and withhold from our family in order to give more Neither extreme point of view is correct We must provide for our family We should not give to get Our attitude should be one of obedience and liberality The best way to give to the Lord is to understand all that He has given to us and then freely give back to Him Author Rich Brott provides a very balanced perspective in his latest book *Prosperity Has a Purpose* He notes that we gain by giving and we lose by withholding When we freely give to God regardless of our own personal need we allow God to be big in our lives We allow Him to provide for us This can only happen as we buy into the principle of freely giving If we are stingy in our giving and withhold from the Lord we miss the many blessings and provisions He wants to shower upon us      *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1978      **30 Biblical Principles For Managing Your Money** Rich Brott, 2008 Becoming successful at managing your money begins with a commitment to follow biblical principles In doing so certain areas of your life must be confronted in an honest open and accurate manner You must confront the following areas A spiritual B attitudinal C habitual D practical E personal Addressing only selective areas of your financial life will not bring you to a place of success You must be willing to tackle each area and come face to face with the clear reality of your past decisions This means developing a new determination to change past spiritual decisions and the adopting of new biblical attitudes toward the management of your money Only you can make a

difference in your financial life You can be successful at managing your money if you will begin to follow these 30 biblical principles Author Rich Brott shows you how A Biblical Perspective On Tithing & Giving: A Believer's Stewardship Guide Rich Brott,2008 According to author Rich Brott nothing happens in the economy of God until you give something away It is a universal law of God Giving is the trigger for God s financial miracles When you give to the Kingdom of God it will be given back to you We must do so in complete confidence that our God will not only meet our needs but allow us to have plenty left over so that we can joyfully share it with others When it comes to personal possessions money and wealth you cannot take it with you but you CAN send it on ahead Bottom line is this what you keep you will lose but what you give away you will gain When you become a faithful tither and a generous giver you become an individual whom God can bless 5 Simple Keys to Financial Freedom Rich Brott,2008 Enjoying financial security in today s world takes more than simply earning a good living Some people who have made extraordinary incomes for many years are in terrible financial shape and are not prepared for today let alone their future Author Rich Brott explains that it is essential to make decisions that will help you manage your resources if you are ever going to be financially secure The problem is not our income but our spending Many waste much of their hard earned money on the small and unimportant things Don t fall into wasteful patterns of living Make a decision now to be different to live differently You can get started on the road to financial freedom by putting the following 5 simple keys into practice immediately Key 1 Stop Spending on Yourself Key 2 Control Your Cash Key 3 Live Below Your Means Key 4 Save for Your Future Key 5 Give to Others **Achieving Financial Alignment: 30 Biblical Principles for Ordering Your Financial Life** Rich Brott,2008 God is interested in our willingness to manage and administrate all that He has given to us Nothing will be thrown into our laps Financial prosperity is not an unconditional providential blessing conditions are attached We are to take action and be proactive The abilities and giftings God provides motivate us to action Sometimes it takes our persistence in doing the same things faithfully with the heart of a servant Other times it is time to try new things new methods and seek new opportunities Sometimes the steady plodding brings the success of the blessed life Many people deep in debt and lacking in self discipline in their spending and contentment level complain that their employers don t pay them enough their taxes are much too high their business costs have skyrocketed or render some other excuse why they cannot plan for their financial future Of course some of these excuses may have a certain amount of legitimacy to them but they don t excuse a person from the responsibility of making sure that they are not wasting any of the resources God has allowed to come through their hands The problem is rarely a lack of money it is a lack of money management Money management simply means self management This book will help the reader to re align their financial attitude so that can begin to fulfill their potential financial altitude **Advancing a Successful Business** Rich Brott,2009 Business focus is an integral part of your ability to advance and build your business into something beyond mediocrity Staying focused on your vision and purpose is very key Nothing significant is ever achieved without focus If it s worth getting it must be the focus of
