

Good—Bye Letter

Dear Parents,

It was a great pleasure to have your little ones in my classroom this year. We learned so many things. Your children are proud because they finally know how to read and write.

This year is over, so now I return your children to you, the same children that you entrusted to my care last fall. I return them with a few more pounds, a few inches taller, and months wiser, more responsible, and more mature than back then.

Even though they would have grown without my help, it has been a pleasure and a privilege to see their personalities grow day by day and see how they have developed in their learning.

We have laughed, played, studied, learned and enriched our lives during the year. Take care of your children, for they are so precious.

Remember that I will always have great interest in your children and their destinies, wherever they may go, whatever they do and whoever they become.

Sincerely,

Farewell Message To Kindergarten Students

Sabine Bitter, Nathalie Nad-Abonji

John Rath,2013-12-18

Liberalism in the nineteenth century sense of the term came to Austria much later than it came to western Europe for it was not until the 1840s that the industrial revolution reached the Hapsburg Empire bringing in its train miserable working conditions and economic upheaval which created bitter resentment among the working classes and a longing for a Utopia that would cure the ills of mankind This new found liberalism largely self contained and uninfluenced by liberal movements

outside the empire centered mainly in the idea of individual freedom and constitutional monarchy. In the end the revolution failed because the moderates proved too weak to control the radical excesses and the radicals in growing desperation tried to turn the rebel idea into a democratic and at the extreme a republican one. Fear of this extremism finally drove the moderates into the counterrevolutionary camp. Since the Viennese rebels fought to achieve many of the goals fundamental to democracy historians have generally tended to idealize the revolutionaries and forget their shortcomings. R. John Rath has sought to evaluate the revolution from the point of view of the political ideologies of 1848 rather than those of the mid twentieth century. Moreover he has clearly and objectively stated the case for both the left and the right pointing out the failures and shortcomings of each. At its publication this was the first detailed English language book on the Viennese Revolution of 1848 in more than a hundred years. The author has not confined himself to the bare bones of history. In his descriptions of the times and lively portrayals of the chief actors of the revolution he has vividly restaged a drama of an ideal that failed. Tibetische Kinder für Schweizer Familien Sabine Bitter, Nathalie Nad-Abonji, 2018-03-01. Anfang der 1960er Jahre kamen auf Initiative des Oltner Industriellen Charles Aeschimann 160 tibetische Flüchtlingskinder in die Schweiz. Die Tibeterli sollten hier wohlbehütet in Pflegefamilien aufwachsen, eine gute Bildung erhalten und schließlich als junge Elite zu ihren Familien in indische Exil zurückkehren oder gar in ein befreites Tibet an das viele Exilanten damals noch glaubten. Dies war zumindest der Wunsch des 14. Dalai Lama, der gemeinsam mit Aeschimann eine entsprechende Vereinbarung aushandelte. Die Tatsache, dass viele dieser Kinder durchaus noch leibliche Eltern hatten, rief schon bald Kritiker auf den Plan. Ebenso wurde moniert, Aeschimann fehle die entsprechende Erfahrung. Dennoch ließen ihn die Bundesbehörden gewähren. Wie war ein solcher Alleingang möglich? Was ist aus den Kindern geworden? Und wie beurteilen sie die umstrittene Aktion heute? Dieses Buch sucht Antworten auf offene Fragen und leistet so einen weiteren wichtigen Beitrag zur Geschichte der Fremdplatzierung in der zweiten Hälfte des 20. Jahrhunderts in der Schweiz. **Normal Instructor and Primary Plans**, 1920 **Normal Instructor and Teachers World**, 1922 **Lutheran Woman's Work**, 1911 **Anne** Constance Fenimore Woolson, Sheba Blake, 2021-12-13. Constance Fenimore Woolson was the great niece of James Fenimore Cooper and a close friend and correspondent of Henry James. A successful short story and novel writer, Woolson was one of the local color or American literary regionalism authors popular in late nineteenth century America. She travelled a great deal through America and Europe where she gathered material for her works. Woolson's stories focus on character, dialects, customs, and landscape that are unique to a region. Her tales are often imbued with a sense of nostalgia for a world not yet in step with the modern world of development. Good Housekeeping, 1926 Newark School Bulletin, 1924 We Resist Cynthia Levine-Rasky, Lisa Kowalchuk, 2020-05-21. The 2016 US presidential election exposed rising xenophobic and nationalist sentiment within the United States and other democratic countries. As populist movements grow, democratic freedoms erode. We Resist demonstrates that the things we often take for granted—safety, family, employment, health, a promising future—are under attack.

and we must fight to preserve these resources before it's too late. We are currently witnessing the dismantlement of social programs, growing disinterest in international cooperation and the devaluation of evidence-based knowledge. This disturbing shift in politics is leading to increased national security measures, violations to basic human rights and widening social and economic inequalities. The rise of far-right populism brings with it intolerance of ethnic, sexual and all other minority groups and a rejection of democratic society. *We Resist* gathers the compelling perspectives of scholars and activists who are deeply embedded within political and community struggles, who participate in policy decisions and who are engaged in research that advances those struggles. An essential and timely book, *We Resist* confronts the problems we face as a human community and impels a cross-sectoral movement to defend our rights and revitalize the common good. *It Was Always Four* Renee

Jones, 2021-10-25 Years before seeing the faint two lines that solidified their pending parenthood, Renee and Jim always dreamed of having four children. Having survived the first year of parenting three other times and with the reassurance of every mom blog she read, Renee was certain that making their dream of four children a reality wouldn't really be much different than their current crazy yet manageable life. Except it was. A challenging first year parenting four children left Renee confused, completely shaken and desperate for a change. In pure panic, she begged her husband for a change of status. She wanted to become a stay-at-home mother, leaving behind the career she loved just months before finishing her graduate degree. Renee's journal shares her journey met with the COVID-19 pandemic, providing an intimate look into her thoughts, lessons learned and ultimate rediscovery of what brings her genuine joy. Motherhood So White Nefertiti

Austin, 2019-09-20 The story every mother in America needs to read. As featured on NPR and the TODAY Show, All moms have to deal with choosing baby names, potty training, finding your village and answering your kid's tough questions, but if you are raising a Black child, you have to deal with a lot more than that. Especially if you're a single Black mom and adopting Nefertiti. Austin shares her story of starting a family through adoption as a single Black woman. In this unflinching account of her parenting journey, Nefertiti examines the history of adoption in the African American community, faces off against stereotypes of single Black moms and confronts the reality of what it looks like to raise children of color and answer their questions about racism in modern-day America. Honest, vulnerable and uplifting, *Motherhood So White* is a fantastic book for mothers who have read *White Fragility* by Robin DiAngelo, *Stamped from the Beginning* by Ibram X. Kendi, *Why Are All The Black Kids Sitting Together in the Cafeteria* by Beverly Daniel Tatum or other books about racism and want to see how these social issues play out in a very personal way for a single mom and her Black son. This great book club read explores social and cultural bias, gives a new perspective on a familiar experience and sparks meaningful conversations about what it looks like for Black families in white America today. *The Churchman*, 1895, *Woman's Missionary Friend*, 1907
