Oral English John Marks Brewer, 1916 Discovering the World Through Debate Robert Trapp, William Driscoll, Joseph Zompetti, 2005 Discovering the World through Debate provides a practical guide to educational debate in an international setting It offers a comprehensive introduction to the Karl Popper debate format and presents in depth step by step information on how to prepare and run a debate event The third edition has been completely revised and expanded to meet the needs of students who are ready to progress to new and more complex levels of argumentation and debate New chapters on argumentation promote a more complete examination of the process of argument construction and provide a thorough discussion of constructing arguments for and against various kinds of debate propositions As in previous editions the book presents practical illustrations to help users understand complex concepts BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved The Best Kind of College Susan McWilliams, John E. Seery, 2015-07-06 The fevered controversy over America s educational future isn t simply academic those who have proposed sweeping reforms include government officials politicians foundation officers think tank researchers journalists media pundits and university administrators Drowned out in that noisy debate are the voices of those who actually teach the liberal arts exclusively to undergraduates in our nation s small liberal arts colleges or SLACs The Best Kind of College attempts to rectify that glaring oversight As an insiders guide to the liberal arts in its truest form the volume brings together thirty award winning professors from across the country to convey in various ways some of the virtues the electricity and overall the

importance of the small seminar face to face approach to education as typically featured in SLACs Before we in the United States abandon or compromise our commitment to the liberal arts oddly enough precisely at a time when our global competitors are discovering emulating and founding American style SLACs and new liberal arts programs we need a wake up call namely to the fact that the nation s SLACs provide a time tested model of educational integrity and success
