David McKeegan, 2013-01-17 Complete Key for Schools is official preparation for the Cambridge English Key KET for Schools exam. It combines the very best in contemporary classroom practice with engaging topics aimed at younger students. The information practice and advice contained in the course ensure that they are fully prepared for all parts of the test with strategies and skills to maximise their score. Informed by Cambridge's unique searchable database of real exam candidates' answers, the Cambridge English Corpus Complete Key for Schools includes examples and exercises which tackle common problem areas at this level. The CD-ROM contains grammar and vocabulary exercises for motivating flexible study. A Student's Book without answers is also available.

**Scottish Heinemann Maths 3: Organising and Planning Guide**, 2000-08

Scottish Heinemann Maths offers flexible and easy to manage ways to plan lessons and a programme of work that reflects the key recommendations of the HMI report Improving Mathematics Education 5-14. The Organising and Planning Guide gives the rationale and ethos of SHM, linking the component parts and advising on planning. A customisable CD at each stage gives 5-14 levelled planning and a weekly planning template. The Teaching File provides easy to follow instructions for each lesson. Lessons begin with lively mental activities followed by a broad range of interactive teaching activities. Structured pupil activities consolidate, reinforce and extend topics and there are clear suggestions for follow-ups to the main points of the lesson. The progression through each topic is carefully structured to provide a balance of oral and practical work. SHM has pupil resources that are clear, fun and easy to use. Activity books are used for SHM1-4 textbooks and extension textbooks for SHM3-7. A flexible strategy helps teachers monitor pupil progress and inform lesson planning. It offers a three-strand approach to assessment: ongoing at the end of small blocks of work, assessment for specific topics and longer-term end-of-level assessment. SHM has been purposefully written to help children achieve a higher standard of attainment. It provides a fast pace of learning and uses a direct interactive method of teaching, placing considerable emphasis on oral and mental mathematics.
