L. Pitchford, 2019-04-28 A modern day Cinderella with a twist When high school seniors Noah Barton and Eden Prince's academic rivalry ruins a thermodynamics demo their physics teacher decides to help them get along By forcing them to be lab partners As graduation approaches Noah and Eden are too busy figuring out college to deal with each other Noah's football loving dad sabotages his chance to win a big scholarship Eden's traditional mother cares more about finding her a serious boyfriend than encouraging her dreams Winning big at the regional science fair is their last hope Will Noah follow in his astronaut mother's footsteps Can Eden show her parents the environment is more important than any relationship Will Noah and Eden finally learn to work together Follow Noah and Eden's budding romance in this emotionally charged sex positive gender swapped retelling of Cinderella Where the Millennials Will Take Us Barbara J. Risman, 2018-01-30 Are today's young adults gender rebels or returning to tradition In *Where the Millennials Will Take Us* Barbara J Risman reveals the diverse strategies youth use to negotiate the ongoing gender revolution Using her theory of gender as a social structure Risman analyzes life history interviews with a diverse set of Millennials to probe how they understand gender and how they might change it Some are true believers that men and women are essentially different and should be so Others are innovators defying stereotypes and rejecting sexist ideologies and organizational practices Perhaps new to this generation are gender rebels who reject sex categories often refusing to present their bodies within them and sometimes claiming genderqueer identities And finally many youths today are simply confused by all the changes swirling around them As a new

generation contends with unsettled gender norms and expectations Risman reminds us that gender is much more than an identity it also shapes expectations in everyday life and structures the organization of workplaces politics and ideology To pursue change only in individual lives Risman argues risks the opportunity to eradicate both gender inequality and gender as a primary category that organizes social life

Unbreakable Jenni Rivera, 2013-07-02 The story behind Telemundo's Jenni Rivera Mariposa del Barrio series now streaming A New York Times bestseller this is the official biography from the beloved Mexican American singer who lost her life in a tragic plane crash The only autobiography authorized by Jenni Rivera I can't get caught up in the negative because that destroys you Perhaps trying to move away from my problems and focus on the positive is the best I can do I am a woman like any other and ugly things happen to me like any other woman The number of times I have fallen down is the number of times I have gotten up These are the last words that beloved Mexican American singer Jenni Rivera spoke publicly before boarding the plane that would crash and cut her life short on December 9 2012 However they are not the final words that La Diva de la Banda had for the world Those are found in the pages you hold in your hands Jenni's own account of the highs and lows of her extraordinary journey She became the most acclaimed Spanish language singer in the United States and sold more than 15 million records worldwide A single mother of five and grandmother of two she was also an actress a television producer the star of her own reality show and an entrepreneur But for all its immense success Jenni's life often seemed to be a series of personal battles in which perseverance was her only weapon As her fame grew she made it her mission to speak about her struggles forging an intimate connection with her fans She became a figure of strength and a source of encouragement to women of all ages In Unbreakable Jenni recounts the crucial moments in her past revealing her experiences with domestic and sexual abuse divorce body image issues making her way in a male dominated industry raising her children as a single mother and learning that she could depend only on herself Though she is no longer with us Jenni will always be the Rivera rebel from Long Beach the girl who maintained her sense of humor and fighting spirit in every circumstance In this remarkable memoir Jenni leaves behind a legacy of inspiration and determination that will forever live on through her precious family friends and fans

LGBT Families Nancy J. Mezey, 2015 Part of the Sage Contemporary Family Perspective series this book presents a comprehensive understanding of lesbian gay bisexual and transgender families today by drawing upon and making sense of the burgeoning scholarly literature about LGBT families from the late twentieth and early twenty-first centuries
