Vernacular Aesthetics in the Later Middle Ages Katharine W. Jager, 2019-07-03 Vernacular Aesthetics in the Later Middle Ages explores the formal composition public performance and popular reception of vernacular poetry music and prose within late medieval French and English cultures This collection of essays considers the extra literary and extra textual methods by which vernacular forms and genres were obtained and examines the roles that performance and orality play in the reception and dissemination of those genres arguing that late medieval vernacular forms can be used to delineate the interests and perspectives of the subaltern Via an interdisciplinary approach contributors use theories of multimodality translation manuscript studies sound studies gender studies and activist New Formalism to address how and for whom popular vernacular medieval forms were made

The Later Middle Ages Stephen Medcalf, Nicola Coldstream, Marjorie Reeves, David R Starkey, 2019-07-10 Originally published in 1981 The Later Middle Ages bridges the gap between modern and medieval language and literature by introducing the social and intellectual milieu in which writers like Chaucer Malory and Margery Kempe lived It provides a unified and coherent account of the culture of late medieval England and of the problems involved in viewing it in relation to English literature The book covers the history of ideas and education art and architecture and changes in the social economic and political structure

Writing the Jerusalem Pilgrimage in the Late Middle Ages Mary Boyle, 2021 An examination of four written accounts of medieval pilgrimages to Jerusalem What do the bursar of Eton College a canon of Mainz Cathedral a young knight from near Cologne and a Kentish nobleman's chaplain have in common Two Germans residents of the Holy Roman Empire and two Englishmen just as the western horizons of the known world were beginning to expand These four men William Wey Bernhard von Breydenbach Arnold von Harff and Thomas Larke are amongst the thousands of western Christians who undertook the arduous journey to the Holy Land in the decades immediately before the Reformation More importantly they are members of a much more select group those who left written accounts of their travels for the journey to Jerusalem in the late Middle Ages took place not only in the physical world but also in the mind and on the page Pilgrim authors contended in different ways with the collision between fifteenth century reality and the static textual Jerusalem as they encountered the genuinely multi religious Middle East This book examines the international literary phenomenon of the Jerusalem pilgrimage through the prism of these four writers It explores the process of collective and individual identity construction as pilgrims came into contact with members of other religious traditions in the course of the expression of their own engages with the uneasy relationship between curiosity and pilgrimage and investigates both the relevance of genre and the advent of print to the development of pilgrimage writing Ultimately pilgrimage is revealed as a conceptual space with a near liturgical status unrestricted by geographical boundaries and accessible both literally and virtually
