Lazarus A Complete Guide Direct:

The Complete Guide to Self-Management of Depression Harpreet S. Duggal MD FAPA, 2016-06-09 Depression is a complex illness that presents in a myriad of ways and affects more than 350 million people worldwide While medications and conventional cognitive behavioral approaches to the treatment of depression have success for many people these kinds of one size fits all treatments are not enough to alleviate the symptoms of depression or help them find a long term path toward wellness In The Complete Guide to Self Management of Depression Practical and Proven Methods Dr Harpreet S Duggal offers several evidence based treatments for depression and presents them in a practical easy to use format that can be incorporated into day to day self management of depression Self management is increasingly becoming the standard of care in people with long standing medical conditions and it broadens the narrow perspective of self help beyond the traditional treatment of symptoms to include behavioral methods positive psychology interventions mindfulness and complementary and alternative medicine approaches for treating depression Finally besides a focus on treating symptoms it also addresses lifestyle changes social relationships communication problem solving and elements of wellness and recovery In contrast to the traditional one size fits all approach of self help books on depression The Complete Guide to Self Management of Depression offers a menu of options for self management of depression and provides guidance on when and when not to use or combine particular strategies Placing those who suffer from depression in the drivers seat of self management can help them build confidence and prepare for the journey of managing depression
