Franchise Management For Dummies Michael H. Seid, Joyce Mazero, 2017-04-24. Learn what it takes to find, buy, and run a franchise and enjoy the rewards of being your own boss. If you've ever visited a chain restaurant and thought, "I'd like to run

one of these you're among countless would-be entrepreneurs eager to be their own boss *Franchise Management For Dummies* is a hands-on guide that provides clear and concise information on the issues involved in finding, buying, operating, and ultimately growing a successful franchise business. Geared toward both novices and experts in franchising, it's an essential guide to help prospective franchisees know what to look for in a great franchisor and to show existing franchisees what great franchisors are providing their franchisees. Both emerging and experienced franchisors will gain an understanding about the proper methods of structuring, managing, and expanding their franchise systems. Social impact investors, donors, and NGOs can learn how franchising techniques can transform how they look at providing products and services at the base of the pyramid. Inside, you'll discover how to find a franchise that's right for you and the ideal location for it; where to find quality franchisors and understand the qualities franchisors look for; how to gather information from franchisees; a franchisor's mandatory legal obligations to prospective franchisees; the franchise disclosure document (FDD) and working with franchise professionals; how to take a realistic look at your finances and what capital you'll need to buy and launch a franchise; develop strategic advertising and marketing plans; how to find, hire, and train talented employees who will help make your franchise a success; how to make sure your franchise makes money; how to grow your business with multiple franchises; and more. Additionally, *Franchise Management For Dummies* includes a glossary of common franchise-related terms, ten keys to franchisee success, and the questions to ask before becoming a franchisor. Get a copy today and find out if owning and operating a franchise is the right business move for you.

Handbook of Research on Franchising Frank Hoy, Rozenn Perrigot, Andrew Terry, 2017-10-27 Franchising is one of the major engines of business expansion and job creation globally. The *Handbook of Research on Franchising* offers new insights into entrepreneurial behavior, organizational forms, regulation, internationalization, and other contemporary issues relating to this dynamic business strategy. The *Handbook* challenges both practitioners and scholars to give attention to the conclusions of scholarly research on this business model. Practitioners can benefit from the results of high-quality scientific research, and scholars can find exciting opportunities for contributing to the body of knowledge of a subject that has not received sufficient attention in educational institutions.

Advances in Production Management Systems Norio Okino, Hiroyuki Tamura, Susumu Fujii, 2013-06-29 This volume includes 41 revised papers selected from 125 papers presented at the 6th IFIP Technical Committee 5 Working Group 5.7 International Conference on Advances in Production Management Systems (APMS 96) held at Kyoto, Japan, 4-6 November 1996. The task of selecting papers was accomplished by the IPC members voting. The selected papers were reviewed by IPC members who attended the conference. Based on the comments of reviewers, each paper was revised and rewritten in the format of this book. Therefore, the quality of each paper was raised very much. The papers selected in this volume were classified into invited articles and six themes, taking into account the perspectives and future challenges in production management systems. Invited articles provide the overview of the present and future trend in the manufacturing

world Six themes were Next Generation Manufacturing Systems and Production Management Benchmarking Integration in Manufacturing and Decentralized Production Management Strategic Aspects Production Planning and Production Scheduling Each theme covers important area of present and future production management reflecting the recent trend in manufacturing toward globalization agility in variety production human centered manufacturing environment consciousness and so on We hope that this volume will emerge a lot of new ideas to reach the goal of IFIP WG5 7 Computer Aided Production Management and to bridge the gap between research and industrial practice in production management systems
