### ***NATIONAL HONORS SOCIETY***

I strongly believe that I have fulfilled my duties as an adolescent, a leader, a scholar, and a service man to be accepted into the National Honors Society.

I have shown my strength as a leader through my hard work and dedication in football for Atholton and in boy scouts while exhibiting great skills in the community. Football proves me to be a leader due to the fact that I serve as a quarterback. By having to be responsible for knowing every play and being accountable for everyone on the team and on the field, shows leadership. I lead my team into battle with the other team, and strive to succeed in a way most aren't capable. I am responsible for every snap of the ball and if something goes wrong such as a fumble or an interception, it's on my shoulders. I take care of business when it needs to be taken care of and I take initiative to all the plans revolving the team. I go to sponsor and take part in all of the fundraisers we have had. Two years in a row, I have sold over forty Raider Gold Cards to people across the town, which was the most of anyone on either the Junior Varsity team or the Varsity team. As well as selling the most fundraisers to promote our school and team, I always show up for our Fuddruckers fundraiser where twenty percent of the proceeds go towards Atholton High School. This proves that I am a leader in my ability to show up for all team/school fundraisers and activities. I always try to encourage people to show up at these types of events and always uphold a positive attitude. My grades throughout high school exceed that of the requirements for National Honors Society. My cumulative GPA for freshman and sophomore year was shown as a 3.6. I take many honors classes and GT courses also. I have helped other kids out in school if they need help with Spanish after school or chemistry as well. People can rely on me for help and guidance because I take the right steps to achieve success in my life. All of my teachers depend on me to get all of my work done on time and turn it in with excellence. Also, I tend to lead discussions in most of my classes whether the topic is on a book we are reading or on the homework. My leadership as a person is shown throughout my daily tasks and will always try to lead people in the right direction under my wing.

During my time as an adolescent, I have served many services to many people
