

Tata Steel Ltd

Raise estimates & PT as Europe continues to pick up, while India stabilizes; Could be PCF positive in FY15E

TATA's leverage to a European recovery goes beyond steel EBITDA/T, in our view. Reported EBITDA could improve sharply in two other scenarios, and the higher EBITDA from Europe would likely result in TATA being PCF positive in FY15E (even as we hold in expectation of ~Rs130bn and no asset sales). Stronger equity markets in Europe combined with higher interest rates should also lead to a better position relative Street dollars. We increase TATA Europe EBITDA for FY15E to ~\$700m (EBITDA/T ~\$11/T) from ~\$600m earlier. We see large upside risks to our European estimates, if a) current spreads were to narrow for the full year, and b) if long product demand recovery starts in Q1'16E. We raise our PT to Rs250 (based on FY15 EBITDA).

- Even if current spreads do not narrow, there is significant upside to our TATA Europe estimates. January was a unique month, as the value that spreads widened materially in Europe as steel prices increased, even as raw material prices were falling. We do not expect this to continue, but we see upside risks to our estimates, primarily driven by demand, particularly Long steel. TATA has mothballed capacity in Long steel in UK, and continued demand revival of these capacities could drive significant upside to our Street-high estimates. Every ~100T increase in EBITDA effectively adds ~\$0.40 to our PT.
- India should remain steady, we see little risk of any disruption from Steel Commission. We do not see any disruption to TATA's iron ore operations. Our average discounts are not building in a big domestic recovery and hence we expect discount to import parity price to remain, though narrow. While there are worries about a steep iron ore price fall as HD driving global HRC steel prices below \$100/T, we would highlight that a) weaker D-OX remains supportive for local prices, and b) there is upside risk to ~~FFR&P~~ demand estimates.
- Even with Rs130bn capex estimates, TATA could turn PCF positive. We are not building in asset sales and the group investment and Dividend Payout are embedded options, values in the balance sheet which could be monetized if required. We do not give any value to them.
- What to expect in earnings on Feb 12: We expect consolidated EBITDA of Rs267bn, 1% company coupled consensus of Rs277.9bn while our TATA Europe EBITDA/T is at ~\$11.5/T consensus at ~\$10/T.
- Remains OW: TATA remains the most levered stock to any European recovery and we believe a recovery is NOT yet priced into the stock.

How To Write Equity Research Report Introduction

In the digital age, access to information has become easier than ever before. The ability to download How To Write Equity Research Report has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download How To Write Equity Research Report has opened up a world of possibilities. Downloading How To Write Equity Research Report provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading How To Write Equity Research Report has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download How To Write Equity Research Report. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading How To Write Equity Research Report. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading How To Write Equity Research Report, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in

unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download How To Write Equity Research Report has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About How To Write Equity Research Report Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. How To Write Equity Research Report is one of the best book in our library for free trial.
