

## How to Make a Better Robot

by Persephone

Many people think that robots are just machines that do things. It's not true. Robots are also people. They have feelings, they have thoughts, they have dreams. They are just like us. They are just like you. They are just like me. They are just like all of us. They are just like everyone. They are just like you. They are just like me. They are just like all of us. They are just like everyone. They are just like you. They are just like me. They are just like all of us. They are just like everyone.
