

## Touching Myself

Sometimes, I want to touch my private parts.

My private parts are those covered by my underwear.

These can include my bottom, penis and breasts.

It is OK to touch my private parts in my bedroom with the door closed.

It is OK to touch my private parts in a bathroom with the door closed.

## Touching Myself

Sometimes, I touch my private parts when other people can see.

This might upset them.

No one should see me touching my private parts.

controversial at the very least Masturbation in Pop Culture investigates the embarrassment and squeamishness sexiness and inappropriateness of masturbation showcasing and analyzing how our complex off screen relationship is mirrored in film and television
