Leadership Topics For Research Papers:

This Generation Leads: The Latest Leadership Ideas from South Africa Mike Teke, Muzi Kuzwayo, 2022-03-01 This book was born out of an idea that I had during the period in which I spent time with several young people who had approached me to assist them in different ways including personal development career advancement and growth as well as growing their businesses and entrepreneurial acumen and skills I took the challenge but felt that more could be achieved hence this book The chapters in this book are written by each one of these young people They chose the topics guided by me and the plan was to simply convey a message from each one of them about leadership They did not do this for fame or to sell this book to make money but to share their ideas The topics covered in this book will appeal to different readers and some readers might find more lessons in one chapter or in more chapters than one I urge each one of you who read this book to pick one or a few lessons and share it with those you wish to make a difference to Mentorship of young people is critical but this does not mean that the mentors will provide handouts in the form of money People who wish to grow are not interested in money they are interested in a piece of your generous heart Mike Teke

Leadership and Narcissism in the Organization Mateusz Grzesiak, 2022-11-11 Narcissists are seen as people who could inspire others due to their strong charisma great vision and ability to convince the crowd that they possess features that others don't They have followers and fans and the ability to control them On the other hand narcissistic leaders express a lack of empathy and high levels of aggression and show constant criticism of others while refusing feedback on their performance Those features indicate that such leaders have a strong sense of entitlement of superiority therefore it is hard to work with them In the corporate world many individuals with narcissistic personalities are chosen as leaders of organizations or teams which often harms their co workers and subordinates Very few lower level employees have a positive perception of their narcissistic leaders or are satisfied with their job and so there is need to measure through qualitative research based on already existing articles in a given subject the correlation between the perception of narcissistic leader and the leader evaluation method This book gives insight into psychology and management by linking the narcissistic personality with the leadership role and with the method of evaluating a leader along with discussing the positive or negative outcomes of their leadership Readers will learn about the phenomenon of narcissistic individuals and leaders as well as the attributes and traits of such a person This research monograph will be of interest to researchers academics and advanced students in the fields of work and organizational psychology and leadership studies
