## Les Royaumes Du Mur:

**Les royaumes de Chypre à l'épreuve de l'histoire** Anna Cannavò, Ludovic Thély, 2018 Dans le cadre du renouveau que connaissent les études sur Chypre le 1<sup>er</sup> volume apporte une réflexion sur le thème des continuités ruptures et changements qui accompagnent l'histoire des royaumes chypriotes du 1<sup>er</sup> millénaire avant notre ère On y examine les évolutions politiques en insistant sur le passage d'un mode de gouvernement à un autre les transitions culturelles avec la création de la colonie chypriote d'époque géométrique la naissance des styles régionaux ou encore l'impact de l'hellénisme les modifications ou la continuité des structures économiques avec les dynamiques d'exploitation du territoire et leurs conséquences sur l'évolution des limites territoriales des royaumes chypriotes Sans nier ou diminuer la radicalité et l'importance de certains phénomènes ou événements de l'hellénisation de l'île conquise par les Lagides en passant par l'enracinement de la présence phénicienne l'époque archaïque et la grandissante influence athénienne pendant l'époque classique on en revalorise l'impact la lumière d'autres facteurs essentiels parfois moins visibles et plus difficiles à saisir en raison du biais de la documentation disponible La perspective chypriocentrique paraît ainsi celle qui permet le mieux de refonder sur de nouvelles bases méthodologiques et théoriques l'analyse de l'histoire et des caractéristiques constitutives des royaumes chypriotes Archéologues épigraphistes numismates historiens céramologues spécialistes de tout horizon scientifique apportent ainsi leur regard soit par l'étude de cas ciblés dont plusieurs découvertes récentes soit en dégagant des caractéristiques communes à l'ensemble des royaumes
