<u>Love and Friendship and Other Early Works</u> Jane Austen, 2020-10-28 Love and Friendship and Other Early Works By Jane Austen Love and Friendship Freindship sic is a juvenile story by Jane Austen dated 1790 From the age of eleven until she was eighteen Jane Austen wrote her tales in three notebooks The notebooks still exist one in the Bodleian Library the other two in the British Museum They include among

others Love and Freindship written when Jane was fourteen and The History of England when she was fifteen Written in epistolary form like her later unpublished novella Lady Susan Love and Freindship is thought to be one of the tales she wrote for the amusement of her family it was dedicated to her cousin Eliza de Feuillide La Comtesse de Feuillide The instalments written as letters from the heroine Laura to Marianne the daughter of her friend Isabel may have come about as nightly readings by the young Jane in the Austen home Love and Freindship the misspelling is one of many in the story is clearly a parody of romantic novels Austen read as a child This is clear even from the subtitle Deceived in Freindship and Betrayed in Love which completely undercuts the title In form it resembles a fairy tale as much as anything else featuring wild coincidences and turns of fortune but Austen is determined to lampoon the conventions of romantic stories right down to the utter failure of romantic fainting spells which always turn out badly for the female characters In this story one can see the development of Austen's sharp wit and disdain for romantic sensibility so characteristic of her later novels French Version | Timeless Classics Jane Austen, Lady Susan de Jane Austen est un r cit audacieux et captivant de charme de manipulation et d intrigues sociales racont sous forme de correspondance R cemment veuve et redoutablement intelligente Lady Susan Vernon est en qu te d un mari riche pour elle m me et d un bon parti pour sa fille r ticente Belle persuasive et r solument go ste elle tisse une toile de s duction et de tromperie qui branle la soci t bien pensante qui l entoure D licieusement dr le et d licieusement scandaleux Lady Susan met en lumi re l esprit le plus ac r d Austen et une h ro ne sans pareille dans son uvre Un v ritable joyau de jeunesse qui r v le la vision audacieuse de l autrice sur l ambition le pouvoir et les jeux de l me humaine Catherine Morland Jane Austen, Félix Fénéon, 2024-01-16 Avec une application opini tre elles avaient atteint l'autre extr mit de la salle et pourtant la situation ne changeait pas des danseurs elles ne voyaient rien que les hautes plumes de quelques dames Elles se remirent en marche justement elles venaient de d couvrir dans le lointain une place convenable Par force et par ruse elles y parvinrent et les voil maintenant en haut de gradins d o Melle Morland dominant la foule se rendait compte des dangers de son r cent passage travers elle Au sortir de l adolescence Catherine Morland na ve ingrate et fleur bleue se mue en h ro ne mais de quoi donc D aventures cr pusculaires que hantent quelques spectres sanglants D un roman d ducation sociale et amoureuse Myst re Jane Austen allie l ironie tendre et le suspense dans un roman sentimental qui tout parodique qu il est nous passionne Sense and Sensibility by Jane Austen Jane Austen, 2021-05-17 Young women who have no economic or political power must attend to the serious business of contriving material security Jane Austen's sardonic humour lays bare the stratagems the hypocrisy and the poignancy inherent in the struggle of two very different sisters to achieve respectability Sense and Sensibility is a delightful comedy of manners in which the sisters Elinor and Marianne represent these two qualities Elinor's character is one of Augustan detachment while Marianne a fervent disciple of the Romantic Age learns to curb her passionate nature in the interests of survival This book the first of Austen's novels to be published remains as fresh a cautionary tale today as it ever was

**Love and Friendship** Jane Austen, 2017-09-04 Begun when she was just eleven years old Love and Friendship is one of Jane Austen's stories that very few readers may have encountered before Austen experts feel that this story was written like many others only for the pleasure of her family and friends It is scribbled across three notebooks in childish handwriting and the complete work is thought to have been written over a period of six or seven years It is dedicated to one of her cousins whom she was very close to Eliza de Feuillide Eliza herself was an extremely colorful figure and is thought to have been the illegitimate daughter of the first Governor General of India Warren Hastings She was also a witness to the French Revolution where her husband the self styled Comte de Feuillide was quillotined For the young Jane these events must have been sheer inspiration to a writer s imagination Love and Friendship takes the shape of an expostulatory novel Written as a series of letters from Laura to a much younger Marianne who is her friend Isabel s daughter it is meant to apprise the young and flighty Marianne about the dangers of infatuation and falling headlong into romantic love The book offers an early and crucial insight into Jane Austen's style her wonderful sense of humor and her take on contemporary society At times she portrays events almost in parody form at others she is sharp and critical but as always the typical Jane Austen brand of gentle sparkling wit is highly evident She describes the concept of sensibility or what we would today call sensitivity or sentimentality and how it can be taken to ridiculous extremes The deliberately twisted and complicated plot is replete with fainting fits deaths due to a variety of causes including galloping consumption plenty of drama elopements galore unbelievable coincidences and wicked philanderers all the elements that a typical potboiler of the era would contain Love and Friendship was written primarily for the amusement of her large and gregarious family and young Jane was probably called upon to read her writings aloud The reader can only imagine the sheer hilarity that the novel must have evoked As part of a collection of Jane Austen Juvenilia this is indeed a treasure trove for Jane Austen enthusiasts as it offers early glimpses of that brilliant talent which was to shine forth a few years later and delight readers of all ages Begun when she was just eleven years old Love and Friendship is one of Jane Austen's stories that very few readers may have encountered before Austen experts feel that this story was written like many others only for the pleasure of her family and friends It is scribbled across three notebooks in childish handwriting and the complete work is thought to have been written over a period of six or seven years It is dedicated to one of her cousins whom she was very close to Eliza de Feuillide Eliza herself was an extremely colorful figure and is thought to have been the illegitimate daughter of the first Governor General of India Warren Hastings She was also a witness to the French Revolution where her husband the self styled Comte de Feuillide was guillotined For the young Jane these events must have been sheer inspiration to a writer s imagination Love and Friendship takes the shape of an expostulatory novel Written as a series of letters from Laura to a much younger Marianne who is her friend Isabel s daughter it is meant to apprise the young and flighty Marianne about the dangers of infatuation and falling headlong into romantic love The book offers an early and crucial insight into Jane Austen's style her wonderful sense of humor and her take
