AIDS and TB as the fastest spreading infectious disease in the U S Yet alarmingly in many cases because the disease often eludes blood tests and not all patients exhibit the classic bulls eye rash and swollen joints doctors are unable or unwilling to diagnose Lyme When that happens once treatable infections become chronic inexorably disseminating to cause disabling conditions that may never be cured The book reveals why the Lyme epidemic has been allowed to explode why patients are dismissed and what can be done to raise awareness in the medical community and find a cure A comprehensive book written about the past present and future of Lyme disease it exposes the ticking clock of a raging epidemic *New Internationalist*, 2001 *Health and Long Life the Chinese Way* Livia Kohn, 2005 Health and Long Life The Chinese Way brings together the wide variety of Chinese medical and spiritual methods in one integrated volume It provides not only a basic description but also discusses the relationship of Chinese healing to contemporary Western science and religious Daoism The book begins with a survey of the basic concepts of Chinese medicine followed by a presentation of clinical and contemporary practices in various countries A third part deals with ways of balancing qi such as Fengshui diets and sexual practices while the last section presents a well informed discussion of self cultivation methods Easy to read with numerous charts and illustrations and enriched by exercises that encourage readers to examine their own practices and attitudes Health and Long Life is a great resource for anyone interested in Chinese healing Book jacket
