Metaphors in Mind James Lawley, Penny Tompkins, 2008 **Panning for Your Client's Gold** Gina

Campbell, 2015-06-05 Looking for easy effective and creative ways to engage your client's deeper knowledge of their learning and healing processes Psychotherapist David Grove had an insatiable curiosity about how a client subconsciously structures their experience and how change at the subconscious level happens With a deep respect for the accumulated wisdom in a client's internal world Grove determined to find ways to keep the facilitator from contaminating the client's experience while fostering self discovery and self healing The result is Clean Language carefully worded questions incorporating a client's exact words coupled with strategic processes that create ideal conditions for a client to learn more about themselves The Clean facilitator directs their client's attention trusting that as the client collects information about their mind and body systems strengths and weaknesses insights and confusions strategies and maladaptations the system learns from itself heals and grows Discover twelve easy to learn Clean Language processes that combine the science of emergence and Metaphor Therapy as only creative innovator David Grove could Clean Language expert Gina Campbell presents twelve Grovian processes for therapists counselors coaches and other helping and healing professionals looking for ways to guide their clients in experiential self exploration From among the many process Grove developed Campbell has selected ones that are easy to master and easy to use You will learn step by step how to facilitate clients to access their inner knowledge and experiences by projecting them onto a drawing or into the surrounding physical space Spread out before them your clients deeper understandings and perspectives readily reveal themselves Gina Campbell has marshaled an admirable array of material into a wonderful resource For the first time in one book are twelve golden nuggets from David Grove's life work Whether you are a new coach or an established therapist your clients will be delighted with how elegantly you facilitate them to find their own resources and solutions Panning for Your Client's Gold is a wellspring that you will want to return to again and again James Lawley and Penny Tompkins authors of Metaphors in Mind Transformation through Symbolic Modelling

Clean Language Interviewing Heather Cairns-Lee, James Lawley, Paul Tosey, 2022-07-20 Combining academic rigour with real application examples a global range of contributors analyse the use of Clean Language Interviewing in multiple settings including business education and healthcare *TRUST ME, I'M THE PATIENT Clean Language, Metaphor, and the New Psychology of Change* Philip Harland, 2012-07-01 Superb Substantial Entertaining Informative An essential read for anyone who finds themselves counseling or working with others Aimed mainly at psychotherapy and coaching but readily translates into lessons for business education and everyday use Trust Me I'm The Patient takes you step by step through a process that lends itself to the most profound therapeutic transformation and yet can be used informally at home at work or in the queue for the bus Science psychology philosophy and a vibrating peach are all part of the story in this far reaching but readily accessible guide to the practice of Clean Language questioning a knowledge of which will enable you to enter another

person's world almost unnoticed and once there to tread very very lightly And what will happen as a result is that the person you facilitate will get to know and change and heal themselves Philip Harland takes us on a clear and compelling journey into the nuances of words questions and sentence structure and explains why small changes make such a big difference to both listener and speaker He guides us through the minefields of unclear practice and shows us how seductive and wasteful our projections and assumptions can be If you have ever wanted an easier ride with clients and colleagues family and friends this book tells you how to let go the reins and facilitate them to take up their own A fabulous addition to Clean resources and one that most closely matches the way the creator of Clean Language the late David Grove would explain himself I defy anyone to read this book and not clean up their language Caitlin Walker educationalist author of Clean Language and Systemic Modelling

Eat the Bible Micah E. Chung, 2024-07-19 People love their metaphors for the Bible The Bible is a sword a mirror a script a score a cathedral a rule book a user's manual a lamp a love letter But how did metaphor which in the eighteenth century was seen as a deceptive rhetorical trick become such a prominent tool for speaking of Scripture And how does one judge between a good metaphor and a bad one This book explores the theological use of metaphor to describe the nature and interpretation of Scripture It interrogates three such models the Bible as musical score Anthony Thiselton the Bible as theo dramatic script Kevin Vanhoozer and the Bible as light John Feinberg seeking to evaluate their faithfulness to Scripture and church tradition their fittingness to the current culture and their fruitfulness for understanding and practicing the biblical text The author then proposes and explores what he considers a better model one drawn from the Bible itself namely that of Scripture as food

How Change Happens in Equine-Assisted Interventions Noreen W. Esposito, Angela K. Fournier, 2023-02-24 How Change Happens in Equine Assisted Interventions gives clinicians

and researchers an intervention theory on the mechanisms of change during psychotherapy and other interventions that incorporate horses Chapters introduce the concept of intervention theory present a theory of the problem what the client comes with theories explaining the intervention what is done during a session and theories of change what happens in the mind of a client with each theory s function described Using an autoethnographic approach the authors describe deconstruct and analyze personal experiences as clients during an equine assisted intervention Then the authors present and apply a unique intervention theory by linking it to the thoughts and experiences of clients in and after a session Practitioners will come away from this book with a unique perspective on the field and with an increased understanding of what their clients are thinking both in and out of session Researchers will have an explanatory theory from which to draw testable hypotheses when studying interventions incorporating horses
