Vincent Shelton, 2014-10-29 The prophets of old warned that certain key end time prophecies wouldn t be revealed until the time of the end For centuries scholars have curiously wandered through a valley of endless supposition hoping to stumble upon a proper understanding of end time events Hence much of our teaching about the latter days is not strongly supported by scripture Well finally the time of the end has come Today we can scripturally prove the answers to questions like Will the Rapture of the Church occur before during or after The Great Tribulation Period Will the Beast really be a man Will the Door of Salvation still be open when the tribulation period ends Who or what are the two hundred million killer horsemen in John s vision Is our interpretation of end time prophecy emotionally obscured The scripturally sound answers to these questions will likely surprise you End Times C Pallaghy PhD, 2021-09-03 After Charles was filled with the Holy Spirit he had his first vision about the horrors facing unbelievers In response and fearing for his family he began to soak up the Word of God like a sponge under the instruction of amazingly dedicated Bible teachers over a period of more than 40 years which is reflected in this book He is very concerned about complacent Christians presumptuously resting on God s mercy and benefits unaware that God s promises are always conditional depending on repentance He became particularly interested in end times in the unity promised by Jesus in John 17 and in the prophetic days of the creation God has given him the gift of interpreting the symbolism used in the prophetic scriptures which he hopes readers will appreciate The prophetic elements in the life of Samson and the Temple of Solomon elaborated in this book will be new to the church **The End Times in Chronological Order** Ron Rhodes, 2012-08-01 Bible prophecy expert Ron Rhodes offers an easy to understand yet detailed chronology and explanation of end times events The chapters are arranged around the major end times themes the rapture the tribulation the millennial kingdom and the eternal state Each chapter begins with a list of the specific events it covers making this an extremely user friendly chronological guide to end times biblical prophecy Rhodes allows for various interpretations among Christians Yet the sequence he describes is faithful to the biblical text based on a literal approach to prophecy and held by many Bible scholars As readers discover that they really can understand Bible prophecy they will come to love and trust the
