

RECEPTION'S MANUAL

Telephones

- All calls should be answered in three rings or less
- The receptionist should identify the practice by name and give his or her first name.
- No caller should be put on hold without first being greeted properly and asked if the caller minds holding.
- Patients should not remain on hold for more than thirty seconds, except when the receptionist is on another call.
- Patients should not wait longer than two hours for a return call from the practice.
- There should be no complaints about lost or forgotten messages.
- There should be no more than two complaints per month about telephone procedures.

Scheduling

- No patient should wait more than seven days for an appointment.
- New patients should be seen within three days.
- There should be no more than two complaints per month scheduling procedures.

Patient Reception

- All patients should be greeted by name within thirty seconds of their arrival.
- The reception area and lobby should be kept clean and neat at all times.

Waiting Area

- No patient should wait more than fifteen minutes from his or her scheduled appointment time to see the physician.
- If there is a change in the schedule, patient's should be notified immediately upon arrival and given the option to reschedule or come back later that day.
- Continually update patients who choose to wait on the status of their appointment.
- There should be minimal patient complains about waiting time.

Patient Education

- The clinical staff should offer each patient a final opportunity to ask questions and escort each patient to the check out area.
- All patients should be given a practice brochure and business card.

Patient Complaints

- Patient complaints should be addressed immediately by the staff person to whom the complaint was made.
- If this person is unable to resolve the complaint, he or she should immediately contact the staff person who can resolve the problem.
- The office manager should call each patient who has a complaint on the next business day to make sure the issue was resolved to the patient's satisfaction.
