Johnny, 2022-09-15 This book is an illuminating guide on critical sensitive and salvation based topics that will intrigue, educate, inspire, and above all, promote the doctrine of salvation as the focal point of the entire Bible. The book highlights the fact that humanity's greatest need has never been the food that satiates his hunger, the building that gives him shelter, the status that makes him relevant, or anything that caters to his physical needs, albeit it consists of topics that discuss humanity's daily needs and how they can be acquired in line with God's word. It adequately emphasises that the salvation of souls

constitutes the greatest need and should occupy the top echelon of our priorities The scripture says that faith comes by hearing and hearing by the word of God Romans 10 17 But what happens when the word is not correctly taught or correctly taught but not completely broken down and hence not properly understood This book breaks down biblical lessons in a manner that will be easily understood by readers Many have read the Bible and taught from it wrongly because they missed the central theme of the Bible which is the salvation of our souls but the words in this book have been written to help the reader avoid reading the Bible amiss and achieve this precious and priceless gift salvation that will make existence in this world a meaningful one The lessons readers will learn are drawn from the context of the scriptures the express commands of God and from the lives and experiences of several biblical characters Readers are made to examine some biblical characters strengths and flaws successes and failures and extract valuable lessons that will guide them on the journey through life While people can scan through the Bible and get a general understanding of the stories within these chapters this book will draw the readers attention to vital lessons they may not have noticed
