Great Expectations George John Worth, 1986 *Oliver Twist. David Copperfield. Our mutual friend. Great expectations. Little Dorrit. Martin Chuzzlewit* Charles Dickens, 1879 *Fiction on the Page in Nineteenth-Century*

Magazines Maria Damkjær, 2024-11-25 What makes fiction recognizable as fiction Texts are shaped by their material print but this book argues that they can also be made in response to it that the needs of the magazine in the nineteenth century spurred writers to create hybrid entangled texts Using book history genre theory and literary close reading this book argues that narrative fiction in the nineteenth century popular periodical was a malleable substance By looking at typography and the attempts to squeeze in too much text or stretch out too little text the book asks what the relationship was between the page that needed filling and the short story that tried to fill it In the messy hybrids and outliers we explore what fiction might have become The book works with magazines like the *Englishwoman's Domestic Magazine* first series 1852-59 the *Family Herald* 1842-1945 the *Home Circle* 1849-54 and authors like Elizabeth Gaskell George Augustus Sala and Samuel Beeton It also includes a chapter on Charles Dickens's arguably least successful venture *Master Humphrey's Clock* 1840-1 where Dickens was noticeably straining to sell and fill a weekly magazine While the book is not attempting to destabilise the status of canonical fiction it does ask how the page makes fiction happen what kind of readers magazines imagined for themselves and what readers thought they were reading when they picked up an issue The book argues that magazines projected a print imaginary a symbolic realm where the magazine fits perfectly into the lives of happy active readers [CliffsNotes FTCE Professional Education Test with CD-ROM, 2nd Edition](#) Vi Cain Alexander, Sandra Luna McCune, 2012-06-13 An updated edition now with a CD ROM Introduction and format of the exam Subject review chapters on all topics covered on the exam 2 full length practice exams [LSAT For Dummies](#) Scott A.
