TOPICS DISCUSSED – Content of reports, the role of creativity

THE ASSIGNMENT –

You will be asked to analyze a report written by one of my former Business communication students, Matteo Pisano. This exercise aims to help you identify what makes a good report based on content and format.

I will ask you to work on the two versions of his report, which you will find in the in the workshop folder.

- the 'black and white' version
- the creative version

Your assignment is to:

1. Read the 'black and white' version and answer the following questions:
   a. Is the writing strategy direct or indirect? Why?
   b. Which writing style does he use, formal or informal? Why?
   c. What are the three sections of the introduction? What is their purpose?
   d. What are the two research strategies used? What are the reasons one would use them?
   e. Do you have any comments regarding his sources for both his research approaches (quality and quantity)?
   f. How did he indicate the references he used? Did he paraphrase?
   g. How can you see he used APA?
