

Emergency Department Coding Policy

Emergency department (ED) physicians often perform acute strategies, procedures, and high-risk interventions (e.g., chest tube, intubation) without the benefit of the hospital's coding department. This is because the hospital's coding department is often not able to provide the necessary support and guidance that is needed to ensure that the ED physician's coding is accurate. This is because the hospital's coding department is often not able to provide the necessary support and guidance that is needed to ensure that the ED physician's coding is accurate.
