[Learn, Save, Budget](#) Daryl Rixon, 2019-12-13. This Book is about money and is a must read if we are to learn about it and save. Budget too when necessary as a helpmate. The W family and their friends are worth knowing. This Book was written for three reasons: Education, Encouragement, and Practicality. The world is a school room; life an education we never stop learning. It begins with School Banking and goes beyond to encourage saving money by the School leaver also. Money is used to purchase essential items for living. Money is used by people from the cradle to the grave, so to speak. Money is a powerful commodity. It tells us if a country or person is rich or poor. Saving and spending money is common throughout the world. It has been called many things, such as loot and bread and butter, as examples. Banks, Governments, Councils, Insurance Companies, and others use money. Some countries provide a Welfare System for those in need. Although money is not everything, it is important how we earn, save, and spend it. The Bible says the love of money is the root of all evil, as well as gives us guidance. However, some things are free, such as a favourable compliment. May reading this Book help us all to have an increased knowledge about money. Also, help us to have a rewarding, satisfied, enjoyable, and meaningful life. The W family and friends are worth knowing too.
