### **Monicas Sissy Husband English Edition:**

My Husband Is a Sissy Mistress Jessica,2012-04-11 What if your husband no longer satisfied your needs in the bedroom you could get rid of him or you could make him into a little sissy this way you could keep him around for the household chores such as cleaning and laundry as you slowly took his manhood away from him and turned him into something far more less than a man This would free you up to enjoy the attentions of more worthy manly specimens knowing that the house would be clean when you got home You could dress him up so pretty and embarrass him in front of your friends and use him in ways that you probably had never thought of before Well that is exactly what I did and here is his story     **Sissy Husband** Dani Jensen,2015-10-24 There comes a time in every marriage when secret thoughts bring forth tough questions that eventually must be answered questions that have surfaced in the mind many times before only to be pushed back down inside where we ignore them out of fear of what our answer would be if the truth were really told Afraid of the impact complete honesty could have on our lives and those around us So instead we choose to hide these thoughts only allowing ourselves to ponder them during moments of extreme arousal brought on by sexual fantasies of the most perverse nature But once in while someone in a marriage will break the normal pattern and choose to admit the secret lusts of their heart and are eager to finally act upon them no matter the cost
