Digital Manufacturing Technology for Sustainable Anthropometric Apparel Norsaadah Zakaria, 2022-05-13 Digital Manufacturing Technology for Sustainable Anthropometric Apparel is a thorough and practical examination of the state of the art in anthropometric apparel manufacturing technology. The scale of the textiles industry in economic as well as environmental terms is so significant that new technologies and techniques that deliver improvements are of great global interest. Consumer preferences and government regulations are causing apparel manufacturers to prioritize sustainable practices and at a time of unprecedented technological evolution and competitive pressure integrating these measures with other priorities is a key challenge. By combining the expertise of contributors from the worlds of technology change management and technical textiles engineering this book provides a unique interdisciplinary resource for organizational as well as technical implementation. Newly developed Industry 4.0 technologies are addressed along with the latest data collection and analysis methods. Provides practical technical instructions for the implementation of new technologies for 3D body scanning and anthropometric design and sizing. Explains the latest technical methods for the collection of anthropometric data and examines related ethical issues. Shows how to integrate anthropometric design methodologies into a full smart manufacturing system.

Town & Country The Art of Gratitude Caroline Tiger, 2011-01-04 We all have something to give thanks for but we're not always sure of the best way to convey our appreciation. This elegant new volume in Town & Country's series of address books shows ways of varying the tone for different occasions and how to create wedding-related notes including advice on designing your monogram as a couple. All situations receive careful attention from the personal to the professional: letters for gifts, social occasions in response to a kindness, condolences and to follow up on a job interview. And because no one is ever too young to learn good manners the book includes guidelines for thank you notes from children and teenagers too.
