

MISS HONEY

I'm not strong like you, Matilda. You see, my father died when I was very young. Magnus was his name. He was very kind. But when he was gone, my aunt became my legal guardian. She was mean and cruel like you can hardly imagine. And then, when I got my job as a teacher, she presented me with a bill for looking after me all those years. She'd written everything down: every tea bag, every electricity bill, and every tin of beans. And she made me sign a contract to pay her back every penny. She even produced a document that said my father had given her his entire house. I find it hard to believe that he really left it to her. Just like I cannot believe that he would have...killed himself, which is what she said happened.

LAVENDER

Hello. I'm Lavender by the way. Matilda's best friend. There's a bit coming up that's all about me. Well, not exactly about me, but I play a big part in it. But I'm not gonna say what happens because I don't want to spoil it for you.

(Pause)

Alright, look, what I do is I volunteer to get the Trunchbull a jug of water. And then... No! I don't want to tell you anymore because I don't want to ruin it!

(Pause. Stars to go)

Well on the way back I find a newt. A newt is a really ugly lizard that lives in water, so I pick it up and – No! I will not say anymore!

(Starts to go, but really this time)

I'm going to put the newt in Trunchbull's jug! It's going to be brilliant!

BRUCE

It was the biggest burp I had ever done. It was the biggest burp I had ever heard, the biggest burp I had ever heard about. It was like the entire world went silent for that burp to exist, as a huge cloud of chocolaty gas wafted from my mouth and drifted...across class...

Past Lavender...

Past Alice...

Past Matilda...and then, my great big beautiful chocolaty burp, which now seemed to have a mind of it's own, wafted full into the face of the Trunchbull.

MR WORMWOOD

(On the phone) Yes sir, that's right sir. One hundred and fifty five brand new luxury cars, sir. *(Listens)* 'Are they good runners?' Let's put it this way...you wouldn't beat them in a race.

(He laughs hugely at his funny joke but there is silence from the other end of the line. He stops laughing, immediately)

No, sir, yes, sir, they are good runners sir, yes, sir indeed, sir.

(Ends call and speaks to his family)

I'm going to make us rich! Very rich. Russian businessmen. Very, very stupid. Your genius husband is going to sell them one hundred and fifty five knackered old bangers as... brand new luxury cars! *(To Matilda)* Fair does not get you anywhere,

Monolge From Matilda:

Meeting Matilda Ada Clark Davison, 1927 *Bloody Tyrants and Little Pickles* Marlis Schweitzer, 2020-11-02 *Bloody Tyrants and Little Pickles* traces the theatrical repertoire of a small group of white Anglo American actresses as they reshaped the meanings of girlhood in Britain North America and the British West Indies during the first half of the nineteenth century It is a study of the possibilities and the problems girl performers presented as they adopted the manners and clothing of boys entered spaces intended for adults and assumed characters written for men It asks why masculine roles like Young Norval Richard III Little Pickle and Shylock came to seem normal and natural for young white girls to play and it considers how playwrights managers critics and audiences sought to contain or fix the at times dangerous plasticity they exhibited both on and off the stage Schweitzer analyzes the formation of a distinct repertoire for girls in the first half of the nineteenth century which delighted in precocity and playfulness and offered up a model of girlhood that was similarly joyful and fluid This evolving repertoire reflected shifting perspectives on girls place within Anglo American society including where and how they should behave and which girls had the right to appear at all **A New Program of Monologues, Scenes, Stories, and Poems** , 1915 *The Collaborative Literary Relationship of Percy Bysshe Shelley and Mary Wollstonecraft Shelley* Anna Mercer, 2019-07-26 How did Percy Bysshe Shelley and Mary Wollstonecraft Shelley two of the most iconic and celebrated authors of the Romantic Period contribute to each other s achievements This book is the first to dedicate a full length study to exploring the nature of the Shelleys literary relationship in depth It offers new insights into the works of these talented individuals who were bound together by their personal romance and shared commitment to a literary career Most innovatively the book describes how Mary Shelley contributed significantly to Percy Shelley s writing whilst also discussing Percy s involvement in her work A reappraisal of original manuscripts reveals the Shelleys as a remarkable literary couple participants in a reciprocal and creative exchange Hand written evidence shows Mary adding to Percy s work in draft and vice versa A focus on the Shelleys texts set in the context of their lives and especially their travels is used to explain how they enabled one another to accomplish a quality of work which they might never have achieved alone Illustrated with reproductions from their notebooks and drafts this volume brings Mary Shelley and Percy Bysshe Shelley to the forefront of emerging scholarship on collaborative literary relationships and the social nature of creativity **Monologues That Matter** Pamela Cassells-Totton, 2018-11-17 Are you tired of hunting for quality monologues for exams competitions or auditions Are you bored of playing the same old characters Look no further than this book A dynamic collection of original stand alone monologues written by artistic director young actors agent and arts educationalist Pamela Cassells Totton Pamela s wealth of experience in performing arts education led her to write this diverse repertoire of monologues in order to offer her students material which would challenge and inspire them as well as showcase their skills as young artists The characters within this collection are multidimensional and diverse some of the monologues have been handpicked from

acclaimed verbatim plays devised for theatre in education projects others are stand alone and tried and tested pieces which young actors have enjoyed playing for decades *Blue Dragon Mississippi* Mark Bailey,2020-06-30 Pikwik the blue dragon has lived in the Mississippi River for thousands of years Like all blue dragons Pikwik s life is enriched by her psychic communications with the people in her territory When Pikwik realizes that fascists are beginning to take over she chooses a young woman named Matilda to champion an anti fascist resistance movement With Pikwik s help Matilda finds support for this movement in an ex magician an alien from another planet and various other unusual characters They might not have much in common but they all agree that fascism sucks And sometimes that s enough *Motives of Woe* John

Kerrigan,1991-09-26 This anthology recovers a tradition of writing to which some of the greatest medieval and Renaissance poets contributed Centring on Shakespeare s neglected *A Louers Complaint* it includes female voiced lyrics chronicle poems and fictional letters by authors from Chaucer to Aphra Behn and Henry Carey **Ovidian Bibliofictions and the Tudor**

Book Lindsay Ann Reid,2016-05-23 *Ovidian Bibliofictions and the Tudor Book* examines the historical and the fictionalized reception of Ovid s poetry in the literature and books of Tudor England It does so through the study of a particular set of Ovidian narratives namely those concerning the protean heroines of the *Heroides* and *Metamorphoses* In the late medieval and Renaissance eras Ovid s poetry stimulated the vernacular imaginations of authors ranging from Geoffrey Chaucer and John Gower to Isabella Whitney William Shakespeare and Michael Drayton Ovid s English prot g s replicated and expanded upon the Roman poet s distinctive and frequently remarked bookishness in their own adaptations of his works Focusing on the postclassical discourses that Ovid s poetry stimulated *Ovidian Bibliofictions and the Tudor Book* engages with vibrant current debates about the book as material object as it explores the Ovidian inspired mythologies and bibliographical aetiologies that informed the sixteenth century creation reproduction and representation of books Further author Lindsay Ann Reid s discussions of Ovidianism provide alternative models for thinking about the dynamics of reception adaptation and imitatio While there is a sizeable body of published work on Ovid and Chaucer as well as on the ubiquitous Ovidianism of the 1590s there has been comparatively little scholarship on Ovid s reception between these two eras *Ovidian Bibliofictions and the Tudor Book* begins to fill this gap between the ages of Chaucer and Shakespeare by dedicating attention to the literature of the early Tudor era In so doing this book also contributes to current discussions surrounding medieval Renaissance periodization **The Radical Ecology of the Shelleys** Colin Carman,2018-11-07

The Radical Ecology of the Shelleys Eros and Environment is the first full length study to explore a radically queer ecology at work in writings by Percy Bysshe Shelley and Mary Wollstonecraft Shelley as their discussions of nature and the natural consistently link ecology and erotic practice Initiated by Timothy Morton in 2010 as a hybrid of two schools of thinking about nature queer ecology combines the alertness of environmentalists to constructions of the natural with efforts of sexuality scholars to denaturalize identity and to expose sexuality as a culture bound construct Conceptions of place are central to this investigation not only because an

attachment to place is traditionally thought to be the ontological basis of all environmental consciousness e.g. think globally act locally but because these two Romantic writers underscore the dynamic interaction between a person's natural surroundings and his/her interpersonal attachments. The poetical and prose writings of the Shelleys claim our special attention because of their unusual conception of the oikos, the etymological root of ecology, to mean both local grounds and the social, often domestic, places in which people dwell and desire. The overarching thesis of this book asserts that proto-ecological theories in Romantic era England cannot be understood separately from discourses related to married family life and the texts considered demonstrate the comingling of earthly and erotic enjoyment. The issues raised by Eros and Environment are fundamental not only to literary and queer history but to all humanistic studies. They render the study of nature from a queer perspective a matter of intense interest to scholars in numerous disciplines ranging from ecocriticism and the natural sciences including climate studies to feminist criticism and sexuality studies. American Women

Playwrights, 1900-1930 Frances Diodato Bzowski, 1992-07-27. The first three decades of the twentieth century saw the New Woman writing an astonishing array of dramatic presentations. This checklist gleaned from hundreds of library collections and out of print anthologies reveals over 12,000 plays by perhaps 2,000 American women. Some of these works are well known, most are not; some are of enduring literary quality, probably most are not, but all are of social significance and serve to document women's history of the period. Included in a broad definition of play are dramas and comedies, musicals, farces, monologues and dialogues, pageants and masques, stunts and exercises, operas and cantatas. In addition to adult drama, there are numerous plays written for children and for holiday celebrations. A vast amount of dramatic material was written for amateur theatre, school and church productions and community events. The sheer volume of these mostly unrewarded contributions is noteworthy and this checklist should be consulted by researchers in women's studies as well as drama. Playwrights include such noted writers as Susan Glaspell and Zora Neale Hurston, in addition to many unremembered women, some of whom have entries for scores of plays. The playwrights are listed in alphabetical order with their works following. Information is given on life dates as known and the playwrights are keyed to inclusion in major biographical reference books if relevant. The type of dramatic presentation and number of acts is indicated, as is production and publication information as available and in almost all cases at least one library or anthology source is given, coded to a list in the front of the book.

Appendixes record contributions to several anthologies and a selected bibliography completes the work. British Women Poets of the Romantic Era Paula R. Feldman, 2001-01-19. This groundbreaking volume not only documents the richness of their literary contributions but changes our thinking about the poetry of the English Romantic period. **Fifty Years of English Song: The poets of the second half of the reign. The writers of vers de société** Henry Fitz Randolph, 1888.

While this might not be the Monolge From Matilda full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Monolge From Matilda eBooks, including some popular titles.

FAQs About Monolge From Matilda Books

What is a Monolge From Matilda PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Monolge From Matilda PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Monolge From Matilda PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Monolge From Matilda PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Monolge From Matilda PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
