Wong, 2020-02-18 This book evaluates the views of different ethnic groups towards the English language in Sri Lanka for a period of almost two centuries While a few studies have addressed the subject of English in Sri Lanka in a general way there has been no research showing the specifics of English usage in the major ethnic communities of the country This text considers notions and attitudes towards English that prevail in Sri Lanka today among writers language planners teachers and students habitual speakers and infrequent users as well as elite and non elite groups in the country The book also examines colonial and postcolonial writings in three communities namely the Sri Lankan diaspora and the Tamil and Sinhala communities **Of Mangoes and Monsoons** Suresh Kanekar, 2009-11-13 The euphoria lasted for about half of the week gradually giving way to increasing apprehension as the next Sunday approached There was no flag ceremony on the second Sunday either nor on the third counting from the week they had sent their letters to the prison authorities There was tremendous relief all around and people again began to smile at Ramesh instead of giving him dirty looks Ramesh and his fellow campaigners thought the matter was resolved definitively in their favor with the authorities having apparently realized that they had no right to make the prisoners stand in their residences in homage to the flag They forgot about the issue and went on with their prison routine Then lightning struck taking all of them completely unawares Although they had continued to be slightly apprehensive on every Sunday there was no reason for apprehension on other days On the morning of June 10 1957 which was a Monday guards stormed into Ramesh's hall and ordered everybody out Ramesh was in the toilet when the guards came into the hall He declared his presence in the toilet and the guards summarily ordered him out of it without

respice He could not wash his hands and was the last prisoner to be taken out of any hall As his hall was behind the front line of halls he had no idea as to what was going on even when he reached the yard and saw all the other prisoners in Aguada standing in the yard with their backs to the sea He was ordered to join them There was a brutal sergeant who used to come into their halls at night brandishing a pistol for the counting of the prisoners He now had a submachine gun in his hands which he cocked in an exaggerated manner and with much demonstrative clatter With a menacing flourish of the gun he ordered the prisoners to stand at attention Clueless till now Ramesh realized what was going on only when the trumpet sounded With misty eyes he saw the flag being raised He stood there like a statue seemingly paralyzed not believing that this was happening Before he could gather his wits together the flag was hoisted and the prisoners were ordered back into their quarters Ramesh came into his hall crestfallen and utterly miserable He was totally unprepared for this outcome and naturally felt responsible for the humiliation of his colleagues Single handedly he had brought down on their heads the wrath of the authorities when he could easily have let sleeping dogs lie as he had been repeatedly urged to do in so many words He could not look his comrades in the eye there was total silence in the hall People did not know what to say Except for Ramrao they were all angry with Ramesh and even more angry with the prison authorities But the anger in general was impotent and untranslatable into action Not for Ramesh He was angry more with himself than with the authorities for meekly subjecting himself to the humiliation He could have shouted I protest while the flag was going up But he had frozen and could not utter a word while the trumpet sounded Now he had recovered his wits and had plenty of time to plan his future course of action Its not over yet he said to Ramrao in the hearing of everybody in his hall They have to take the flag down in the evening and at that time I will not obey their order to stand for the flag There was consternation in the hall Ramrao was dubious about the advisability of Rameshs proposed action given the no nonsense display of naked power earlier in the day but he could clearly see that Ramesh was in no mood for arguments The word went around that Ramesh was going to make a fight of it and surprisingly all the anger previously directed toward him now metamorphosed into genuine concern as to what might happen to him Ramesh was too agitated to eat lunch that day He was waiting for the evening with trepidation Manohar Amonkar smuggled a note to him i

Problematic Identities in Women's Fiction of the Sri Lankan Diaspora Alexandra

Watkins, 2015-06-02 Women novelists of the Sri Lankan diaspora make a significant contribution to the field of South Asian postcolonial studies Their writing is critical and subversive particularly concerned as it is with the problematic of identity This book engages in insightful readings of nine novels by women writers of the Sri Lankan diaspora Michelle de Kretser s The Hamilton Case 2003 Yasmine Gooneratne s A Change of Skies 1991 The Pleasures of Conquest 1996 and The Sweet and Simple Kind 2006 Chandani Lokug s If the Moon Smiled 2000 and Turtle Nest 2003 Karen Roberts s July 2001 Roma Tearne s Mosquito 2007 and V V Ganeshananthan s Love Marriage 2008 These texts are set in Sri Lanka but also in contemporary Australia England Italy Canada and North America They depict British colonialism the Tamil Sinhalese conflict neocolonial

touristic predation and the double consciousness of diaspora Despite these different settings and preoccupations however this body of work reveals a consistent and vital concern with identity as notably gendered and expressed through resonant images of mourning melancholia and other forms of psychic disturbance This is a groundbreaking study of a neglected but powerful body of postcolonial fiction This is an excellent study that I believe makes a significant and timely contribution to the fields of postcolonial literature Sri Lankan anglophone literature diasporic literature women s studies and world literature It was a stimulating and thought provoking read Dr Maryse Jayasuriya The University of Texas at El Paso

Bandyopadhyay, Firdousi Naher, Aishna Sharma, 2022-06-14 This book compares urban finances in cities located in two different South Asian countries and assesses their fiscal health It uses simulation to estimate the required augmentation in financial resources by the urban local bodies ULBs to reach a level of city development that is significantly better compared to existing levels The book provides a systematic analysis of the fiscal health of two city corporations in Bangladesh viz Dhaka North City Corporation DNCC and Dhaka South City Corporation DSCC and one city corporation in the Indian state of West Bengal viz Kolkata Municipal Corporation KMC The choice of city corporations was based on the shared history and the similarity of heritage culture topography and socio economic conditions Both DNCC and DSCC as well as the KMC have a high population density which puts immense pressure on the service delivery provided by these corporations of basic services such as water supply sanitation facilities street lighting drainage and sewerage and waste disposal This is compounded by poor fiscal health of the ULBs Using primary data collected through surveys and personal interviews and information obtained from official documents the book estimates fiscal gaps of the ULBs and undertakes simple simulations to estimate potential revenue enhancements and expenditure requirements to deliver services at the internationally acceptable

standards It highlights under exploited sources of revenue which can be better realized and also identifies untapped revenue sources that can be easily introduced in order to significantly enhance city revenues The book is an excellent resource not only for researchers studying this topic but also for policy makers and urban planners particularly those from developing countries having to deal with burgeoning cities with high migrant population density *National Parks*, 2007 The flagship publication of the National Parks Conservation Association National Parks Magazine circ 340 000 fosters an appreciation of the natural and historic treasures found in the national parks educates readers about the need to preserve those resources and illustrates how member contributions drive our organization s park protection efforts National Parks Magazine uses images and language to convey our country s history and natural landscapes from Acadia to Zion from Denali to the Everglades and the 387 other park units in between What They Don't Teach You About Indian Management Style Anand Kumar R.S., 2024-05-24 Do you think that there is something called the Indian management style that describes the way Indian companies do business We have of course heard of the Japanese management style and the American way Indian Indian companies are becoming successful not just in India but also on the global stage Indian managers are gaining international recognition Indigenous management techniques are being adopted by companies all over the world Yet we still haven't seen the Indian management style being talked about or taught Isn't it The wait is over In this pioneering book What They Don't Teach You About Indian Management Style Anand Kumar R S a homegrown management professional with exposure to working in Indian and foreign companies looks at the established Japanese and American styles of management and the style adopted by Indian businesses While doing so he brings into perspective the unique and not so unique features of the Indian management approach Digging into his vast experience Anand delves into aspects that define the management style in typical Indian companies small and big For academia practising management professionals in India and abroad and those watching India the book serves as a treatise on the Indian management style This also gives a perspective of the Indian way of doing business to those from outside India wanting to do business in India **Being Reshma** Reshma Qureshi with Tania Singh, 2018-12-13 On 19 May 2014 as seventeen year old Reshma Qureshi left home for the examination centre everything happened in a flash The men rushed towards her Grabbed her Tugged at her hair Poured acid on her face Soon she started to burn like a living corpse The acid ate through her skin and aimed for her bones but it could not quell the fire in her heart Rising from tragedy and suffering Reshma soon made global headlines by becoming the first acid attack survivor to walk the runway at the New York Fashion Week Now an international anti acid sale activist vlogger model and the face of Make Love Not Scars Reshma works tirelessly towards empowering other acid attack survivors like herself and has become a beacon of hope for millions Inspiring and life affirming Being Reshma is the extraordinary story of this young girl from the slums of Mumbai who overcame insurmountable odds in an unjust world and dared to change it Writing Sri Lanka Minoli Salgado, 2007-01-24 Focusing on ways in which cultural nationalism has influenced both the production and critical reception

of texts Salgado presents a detailed analysis of eight leading Sri Lankan writers Michael Ondaatje Romesh Gunasekera Shyam Selvadurai A Sivanandan Jean Arasanayagam Carl Muller James Goonewardene and Punyakante Wijenaike to rigorously challenge the theoretical cultural and political assumptions that pit insider against outsider resident against migrant and the authentic against the alien By interrogating the discourses of territoriality and boundary marking that have come into prominence since the start of the civil war Salgado works to define a more nuanced and sensitive critical framework that actively reclaims marginalized voices and draws upon recent studies in migration and the diaspora to reconfigure the Sri Lankan critical terrain
