

America has fallen in love with the
new Princess phone

in white, beige, pink, blue and turquoise — attractively priced

it's little!... it's lovely!... it lights!

Small size is one of many reasons why the Princess is so popular. It fits in where you didn't have room for a telephone before—as an extension on a kitchen counter, on a writing desk or a bedside table.

Graceful styling is another reason why everyone is so charmed by this phone. You can put the Princess anywhere and be sure that its lines and the color you choose will blend in beautifully.

Lighted dial. It glows in the dark, so it's easy to find, and lights brightly when you lift the receiver, so it's easy to dial. To order the Princess, just call our Business Office or ask your telephone man.
