Gunner Who? Spoken Word. IAB 88061. 6 Audio Cassettes Spike Milligan, **Spike Milligan** Pauline Scudamore, 2003-02-08 Biography of Spike Milligan Haunted Laughter Jonathan C. Friedman, 2022-03-14 A 2023 Choice Reviews Outstanding Academic Title Haunted Laughter addresses whether it is appropriate to use comedy as a literary form to depict Adolf Hitler The Third Reich and the Holocaust Guided by existing theories of comedy and memory and through a comprehensive examination of comedic film and television productions from the United States Israel and Europe Jonathan Friedman proposes a model and a set of criteria to evaluate the effectiveness of comedy as a means of representation These criteria include depth of purpose relevance to the times and originality of form and content Friedman concludes that comedies can be effective if they provide relevant information about life and death in the past present or future break new ground and serve a purpose or multiple purposes capturing the dynamic of the Nazi system of oppression empowering or healing victims serving as a warning for the future or keeping those who can never grasp the real horror of genocide from losing perspective **The Royal Army Chaplains' Department, 1796-1953** Michael Francis Snape, 2008 A survey and reassessment of the role of the army chaplain in its first 150 years Few military or ecclesiastical figures are as controversial as the military chaplain routinely attacked by pacifist and anticlerical commentators and too readily dismissed by religious and military historians This highly revisionist study represents a complete reappraisal of the role of the British army chaplain and of the Royal Army Chaplains Department in the first century and a half of its existence Challenging old caricatures and stereotypes and drawing on a wealth of new archival material it surveys the political denominational and organisational development of the R A Ch D analyses the changing role and experience of the British army chaplain across

the nineteenth century and the two World Wars and addresses the wider significance of British army chaplaincy for Britain's military religious and cultural history over the period c 1800-1950 MICHAEL SNAPE is Senior Lecturer in Modern History at the University of Birmingham The volume has a Foreword by Richard Holmes Armies of Empire Allan Converse, 2011-04-07 *Armies of Empire* uniquely reflects upon the experience of two divisions from different armies facing similar challenges in the Second World War The 9th Australian Division and the British 50th Northumbrian Division both saw long service and suffered heavy casualties and both encountered morale discipline and battlefield effectiveness problems In this illuminating comparative study of Australian and British divisions at war Allan Converse draws extensively on primary sources as well as recent scholarship on morale and combat efficiency His fresh approach questions the popular mythology surrounding the Australian Digger and the British Tommy and shows how it was a combination of leadership loyalty and tactics rather than intrinsic national qualities which resulted in victory for Churchill's armies **Explaining Auschwitz and Hiroshima** Richard J. realised Snape argues that religion provided a key component of military morale and national identity in both the First and Second World Wars and demonstrates that contrary to accepted wisdom Britain's popular religious culture emerged intact and even strengthened as a result of the army's experiences of war The book covers such a range of disciplines that students and scholars of military history British history and Religion will all benefit from its purchase **The Henchmen's Book Club** Danny King, 2011 Mark Jones is a henchman for hire He guards bunkers patrols perimeters and stands around in a boiler suit waiting to get knocked out by Ninjas This is his job He has worked for some of the most notorious super villains the world has ever known Doctor Thalassocrat Victor Soliman Polonius Crump Mark was with each of them when they met their makers at the hands of British Secret Service super spy Jack Tempest and lived to tell the tale if not pay the bills Still for every hour under gunfire there are weeks and months of sitting around on monorails so Jones starts a book club with his fellow henchmen It was only meant to pass the time It was never meant to save the world From the bestselling author of The Burglar Diaries and the movie Wild Bill **The Book Lover's Quiz Book** Gary Wigglesworth, 2020-11-05 I love a quiz so the book I'm most hoping to find in my Christmas stocking is this ingenious book of literary questions red herrings and conundrums Much more than a straightforward question and answer book it promises the kind of variety that will enliven evenings with family and friends And I might know some of the answers VAL McDERMID Outside of a dog The Book Lover's Quiz Book is every bookworm's best friend inside of a dog well if you know the rest you're going to love this book PETER HANINGTON author of A Dying Breed peterhanington.co.uk This is the ultimate literary quiz book and Gary Wigglesworth is the quizmaster to end all quizmasters DAVID QUANTICK davidquantick.com This is a literary quiz book with a difference Rather than basic sets of questions The Book Lover's Quiz Book mirrors the format of Gary's live quizzes at the Betsey Trotwood in London and elsewhere So there are lots of multiple choice questions some amusing answers clever red herrings little known facts about authors and some of the much loved Say What You See picture round Also there are fixed and variable rounds fixed ones include Blankety Books one word missing from the title always with a theme Literary Links and lists what connects next in the list etc and 2 of a Kind name the character and the author that share the same initials The changeable rounds keep the quizzes fresh and include What the Dickens real or made up Dickens names RomeNo or JuliYess real or made up Shakespearian insults and Book Bingo identify the correct number There are also more standard rounds such as First Lines Working Titles and Banned Books The aim of all Gary's quizzes and this book is that people should have fun and be able to guess if they don't know as much as possible *Religion on the Battlefield* Ron E. Hassner, 2016-05-18 How does religion shape the modern battlefield Ron E Hassner proposes that religion acts as a force multiplier both enabling and constraining military operations This is true not only for religiously radicalized fighters but also for professional soldiers In the last century religion has influenced modern militaries in the timing of attacks the selection of targets for assault the zeal with which units execute their mission and the ability of individual soldiers to face the challenge of war Religious ideas

have not provided the reasons why conventional militaries fight but religious practices have influenced their ability to do so effectively In Religion on the Battlefield Hassner focuses on the everyday practice of religion in a military context the prayers rituals fasts and feasts of the religious practitioners who make up the bulk of the adversaries in bystanders to and observers of armed conflicts To show that religious practices have influenced battlefield decision making Hassner draws most of his examples from major wars involving Western militaries They include British soldiers in the trenches of World War I U S pilots in World War II and U S Marines in Iraq and Afghanistan Hassner shows that even modern rational and bureaucratized military organizations have taken and must take religious practice into account in the conduct of war **Soldiers of Song**

Jason Wilson,2012-11-06 The seeds of irreverent humour that inspired the likes of Wayne and Shuster and Monty Python were sown in the trenches of the First World War and The Dumbells concert parties made up of fighting soldiers were central to this process Soldiers of Song tells their story Lucky soldiers who could sing a song perform a skit or pass as a lady were taken from the line and put onstage for the benefit of their soldier audiences The intent was to bolster morale and thereby help soldiers survive the war The Dumbells popularity was not limited to troop shows along the trenches The group also managed a run in London s West End and became the first ever Canadian production to score a hit on Broadway Touring Canada for some twelve years after the war the Dumbells became a household name and made more than twenty five audio recordings If nationhood was won on the crest of Vimy Ridge it was the Dumbells who provided the country with its earliest soundtrack Pioneers of sketch comedy the Dumbells are as important to the history of Canadian theatre as they are to the cultural history of early twentieth century Canada Play Among Books Miro Roman,Alice _ch3n81,2021-12-06

How does coding change the way we think about architecture This question opens up an important research perspective In this book Miro Roman and his AI Alice_ch3n81 develop a playful scenario in which they propose coding as the new literacy of information They convey knowledge in the form of a project model that links the fields of architecture and information through two interwoven narrative strands in an infinite flow of real books Focusing on the intersection of information technology and architectural formulation the authors create an evolving intellectual reflection on digital architecture and computer science **Pan** ,1920 **Milligan** Dominic Behan,1988 **William McGonagall Meets George Gershwin**

Spike Milligan,Jack Hobbs,1988 The Fifinella Log Tom Edwards, Yachtmaster (Ocean),2016-02-23 The Fifinella Log tells my true story of sailing around the world in a thirty foot boat for four and a half years It describes terrible storms and three hurricanes encountered during the voyage one of which in the Bay of Plenty off the north coast of New Zealand damaged our boat Fifinella During that two day battle Fifi lost three foresails two mainsails the self steering vane reefing pawl a forestay and other pieces of equipment besides broken cupboards destroyed books charts and food stocks But it was not all like that Weeks were spent drifting in the doldrums in energy sapping heat where you burnt above deck and baked below where you gritted your teeth to cut off sharp retorts trying to subjugate your anger and frustration to funnel it into positive action The

good times far outweighed the bad We experienced the incredible charm of the English south coast met many wonderful people and visited exotic places where we could pick breadfruit bananas and coconuts We traded with islanders and made biltong from horsemeat and dived and spear fished our way up the Great Barrier Reef enjoying the beauty of the Australian coast Sailing on my own from Darwin to Durban via Christmas Island Cocos Keeling Seychelles and the Comoros gave me time for introspection I hope I am a better man for it We had no fancy equipment no satellite navigation aids Our radio was basic and our funds minimal We had a compass and a plastic sextant navigation tables charts and a star chart The sea is unforgiving and does not tolerate carelessness or mistakes Be well prepared
