Psychopaths and Love Adelyn Birch, 2015-12-28 Psychopaths aren't capable of love Find out what happens when they target someone who is in this insightful and practical book by a woman who was a victim When we're imagining falling in love none of us thinks that we might fall for a psychopath We don't even know it's a possibility Most victims say they believed they had met their soul mate But as the psychopath gains power and control what seemed like heaven becomes an ever worsening emotional hell Don't let it happen to you If it already has don't let it happen again This book which contains the best material from the author's popular blog PsychopathsandLove.com will help you gain a clearer understanding of these harmful pathological relationships Learn what a psychopath is and how to possibly spot one if you're being pursued Find out what makes you vulnerable Learn how to tell if you're being manipulated Finally get ideas about healing afterward and for preventing it from happening again or for the first time I wish I could have read this half year ago Thanks a million Liu I cannot tell you how much this has helped me today I cannot get anything done because I can't stop reading My whole life has been a mess because of these men My eyes are finally opened maybe a bit late but still opened SuckerNoMore Thank you for making me feel sane again Tom I wish I had read this years ago it would have saved me money heartbreak and pain I met a one eight years ago and I believed I was with the man of my dreams It's been a nightmare I often wondered how I got caught up in this crap but reading about it has opened my eyes Michelle I truly believe this info saved my life I thank God I found it and I thank God you are eloquent enough to cut right thru to all the things I have been experiencing with this monster but was never able to verbalize it felt like you were speaking directly to me Thank you again for all the incredibly insightful info Duped I have no words but thank you so very much Anthony After countless sessions with a therapist this makes more simplistic sense of what I had been going through in marriage Very insightful and I wish the readers acknowledged Wellness Eric I just want you to know what a valuable service you've provided by creating this site I stumbled upon it the other day while doing some research on psychopathy in an attempt to understand how the individual I was involved with could do all the things he did It was such a relief to realize after reading several of your posts that this monster who had me believing he was one in a million is actually just one OF a million psychopaths He's no more than a common predictable set of symptoms and patterns He fits the mold perfectly I understand better than ever now that none of this was my fault that he targeted me and that the mental anguish he put me through was something I could not have resisted if I tried because I could never be someone who thinks

the way he does Your information helped me realize that fully and take that last step of discarding any last little attempt to reconcile the unthinkable L B Thank you for a brilliant and concise definition of a psychopath This information is the best I have seen on this topic I now know I am not crazy Thank you **More Psychopaths and Love** Ab Admin,2014-12-02
