was very cautious and meticulously planned for the day he left to join the demonstrations He removed all his credit cards and  
ATM cards from his wallet and only left his national ID his business card and engineer's syndicate card He removed the keys  
to his parents home as his ID included their address and he feared someone breaking into the house if something happened  
to him Rania later noticed the keys hanging on the key holder unaware that he had removed them Tarek left a list of  
important information for Rania in case of emergency and the steps that she should take if he disappeared Tarek clearly  
instructed her to contact his father his brother and his colleague at work if police detained him At that point Rania was  
thinking of two scenarios either he would be beaten and released like Amr Salama or he would be beaten and imprisoned In  
her mind there was no third option In 2011 the winds of change blew across Egypt the region and the world An unexpected  
turn of events changed the history of Egypt the region and the world balance of power Go back in time to the 18 days of

ordinary Egyptians in extraordinary circumstances Experience their moments of hope and despair generosity and caution  
turmoil and quiet pain and joy victory and defeat Tahrir Voices will make you question what you know understand and think  
of those momentous days and the events they catalyzed thereafter 18 different perspectives Which of them do you disagree  
with Which of them resonate with you Are you able to accept all the points of view I invite you to open up different avenues of  
understanding and discussion of these critical events through the perspectives explored in Tahrir Voices      **Louie the**

**Fourteenth** R.M. Blankenhorn, 2017-01-23 Half a century ago long before smart phones the internet or the current political  
climate there were still bullies and in the town of Melville Michigan some believe there was also a dragon In fact the creature  
named Louie that appeared in the fall of 1966 to protect nerdy freshman P J Hayworth wasn't a dragon at all but the  
fourteenth in a line of Khan Lu Wi genetically altered beings sent from the future to keep P J safe so that he might someday  
save the world Instead of protecting P J though this creature seems to do the opposite as P J's life becomes more horrible  
every time Louie appears While the school bully Jimmy Wilson nearly bullies P J to death and P J's life only gets dramatically

worse the creature doesn't protect him at all seemingly bumbling so badly any attempt to help P J that he finally rejects Louie completely. It's only after a freak accident changes everything sinisterly for the worse that P J reluctantly realizes he has no choice but to turn to his bumbling protector before it's too late.
