Demonstrating Student Mastery with Digital Badges and Portfolios David Niguidula, 2019-01-14 In *Demonstrating Student Mastery with Digital Badges and Portfolios*, David Niguidula shows how students can meet standards and express their individuality through digital badges and portfolios. Building off an essential question: What do schools want their students to know and be able to do, he then shows how schools can implement a proficiency-based approach to student learning that has been successfully field-tested in districts across the United States. In manageable steps, readers are guided through the implementation process. Niguidula shows readers how to connect standards to badges, create portfolio-worthy tasks, develop common rubrics, and gain a common understanding of what work is considered good enough. Guide students in curating the elements of their portfolios. Promote authentic student reflection on their work. Replete with real-life examples, this book is essential reading for principals who want to take their schools to the next level and for teachers who want a refreshing and sensible approach to assessment.
