spot the early warning signs which are always present This book tells you how **Iraq Through a Bullet Hole** Issam Jameel,2010-01-31 A unique on the ground account of a country shattered Iraqi playwright Issam Jameel returned to Iraq after a 12 year exile Giving up the relative safety of Jordan he made a perilous journey to Baghdad for a reunion Unfortunately the reason for his trip was to grieve for his nephew recently killed by American forces while guarding an Iraq parliament member from insurgents Jameel also mourns the loss of a formerly secular civil society replaced by vehement sectarianism intolerance and ignorance Basic human needs like food water and power have become an endless daily struggle amidst the shards of infrastructure Routine tasks such as selling a house or getting a job are fraught with peril as old scores continue to be settled on religious ethnic and political fronts Everywhere he turns people are desperate to leave but fear for the worst After escaping this madness he recorded his eyewitness report desperate to provide an honest and impartial tale of an epic tragedy which has killed more than 100 000 people and displaced many more Today the US government gambles with Iraq s stability by turning a blind eye to Al Maliki s internal policy especially after Wikileaks revealed his complicity in death squads We are jeopardizing the hard won political gains that the US achieved by neutralizing the Sunnis of Iraq when it converted them from fighters and boycotters to voters The US administration fails to show much real concern for the future of democracy in Iraq except perhaps for its anxiety about Obama s promises of military withdrawal Critics Praise Iraq Through A Bullet Hole Issam Jameel s Iraq Through A Bullet Hole is evocative in the best sense of the word A native Iraqi he describes with measured sadness and authenticity the dismemberment of his country by a senseless war His perspective on events there both personal and general will not be found in reporting done by the Western press His tale reminds us that the things that matter most family friends and faith can and will endure even the most severe trials I highly recommend this book for its relevance and timelessness Cristobal Krusen Author and Filmmaker Iraq has been a focus for our attention for years now since our armed forces went looking for nonexistent weapons of mass destruction there The media have presented a picture but how real is it What is life really like in that unfortunate country Find out by reading this book Robert Rich PhD Author of Cancer A Personal Challenge Going home is such a trivial thing to so many people in the world This story is the revealing statement of one man that went home to find it lost in such a strife filled region considered by historians as the origin of modern civilization For those who do know how difficult his journey was they will relate to Issam s message which is one of perseverance shared hope and a common faith in mankind that in the end all could eventually be well If only men would let it Bill Evans civilian contractor in Iraq More info at [www.IraqThruABulletHole.com](http://www.IraqThruABulletHole.com) Book 5 in the Reflections of History Series from Modern History Press [www.ModernHistoryPress.com](http://www.ModernHistoryPress.com) BIO000000 Biography Autobiography General HIS027170 History Military Iraq War 2003 HIS026000 History Middle East General **Life Without Jealousy** Lynda Bevan,2009-01-01 Ask yourself Do you feel the need to be frequently checking up on your partner Are you suspicious when you meet new people Do you often question your partner about where they are going and who they are seeing Do you
