Mondays on the Dark Night of the Moon Kirin Narayan, 1997 Oral tales establish relationships between storytellers and their listeners Yet most printed collections of folktales contain only stories stripped of the human contexts in which they are told If storytellers are mentioned at all they are rarely consulted about what meanings they see in their tales In this innovative book Indian American anthropologist Kirin Narayan reproduces twenty one folktales narrated in a mountain dialect by a middle aged Indian village woman Urmila Devi Sood or Urmilaji The tales are set within the larger story of Kirin Narayan s research in the Himalayan foothill region of Kangra and of her growing friendship with Urmilaji Sood In turn Urmilaji Sood supplements her tales with interpretations of the wisdom that she discerns in their plots At a moment when the mass media is flooding through rural India Urmilaji Sood asserts the value of her tales which have been told and retold across generations As she says Television can t teach you these things These tales serve as both moral instruction and as beguiling entertainment The first set of tales focussing on women s domestic rituals lays out guidelines for female devotion and virtue Here are tales of a pious washerwoman who brings the dead to life a female weevil observing fasts for a better rebirth a barren woman who adopts a frog and lights ritual oil lamps and a queen who remains with her husband through twelve arduous years of affliction The women performing these rituals and listening to the accompanying stories are thought to bring good fortune to their marriages and long life to their relatives The second set of tales associated with passing the time around the fire through long winter nights are magical adventure tales Urmilaji Sood tells of a matchmaker who marries a princess off to a lion God splitting a boy claimed by two families into two selves a prince s journey to the land of the demons and a girl transformed into a bird by her stepmother In an increasingly interconnected world anthropologists authority to depict and theorize about distant people s lives is under fire Kirin Narayan seeks solutions to this crisis in anthropology by locating the exchange of knowledge in a respectful affectionate collaboration Through the medium of oral narratives Urmilaji Sood describes her own life and lives around her and through the medium of

ethnography Kirin Narayan shows how broader conclusions emerge from specific spirited interactions Set evocatively amid the changing seasons in a Himalayan foothill village this pathbreaking book draws a moving portrait of an accomplished woman storyteller Mondays on the Dark Night of the Moon offers a window into the joys and sorrows of women s changing lives in rural India and reveals the significance of oral storytelling in nurturing human ties *Five Minutes on Mondays* Alan Lurie,2009-03-06 Imagine the leaders of one of New York City s top real estate firms coming together every Monday morning to hear the moral and spiritual thoughts of a Rabbi Wouldn t you like to be a fly on the wall To hear the paths Alan Lurie traced for his listeners how he helped them bring together their spiritual and business lives the sacred and the profane Five Minutes on Mondays compiles these talks for the first time sharing Lurie s deep and profound inspiration on the challenges we all face at work and in life Lurie draws on millennia of philosophy theology and science to help us answer our deepest questions comfort our deepest yearnings and become better people more connected to each other and to the Greater Purpose Prosper while keeping your integrity Balance faith honor and ambition Use your workplace as your moral and spiritual gymnasium Find deeper meaning and purpose in your work Face your fears and failures and keep going Gain real respect and give it Live one authentic life at work and everywhere else **Fighting the Mondays: A 52 Week Devotional for a Better 9 to 5** Jason Neathery,2024-09-23 Everyone I talk to dreads Monday There are movies memes and many other media that lean into this idea But why Why do we as Christians need to conform to the way the world thinks God put on my heart to start a weekly prayer and Bible study group at work to change that mindset This is a collection of the first 52 weeks of those teachings So take some time out of the busy week and spend it with God and see how radically different your work week can be not just for you but for those you interact with as well The Monday Collection Robert Michael, **A Week of Mondays** Jessica Brody,2016-08-02 When I made the wish I just wanted a do over Another chance to make things right I never in a million years thought it might actually come true Sixteen year old Ellison Sparks is having a serious case of the Mondays She gets a ticket for running a red light she manages to take the world s worst school picture she bombs softball try outs and her class election speech note to self never trust a cheerleader when she swears there are no nuts in her bake sale banana bread and to top it all off Tristan her gorgeous rocker boyfriend suddenly dumps her For no good reason As far as Mondays go it doesn t get much worse than this And Ellie is positive that if she could just do it all over again she would get it right So when she wakes up the next morning to find she s reliving the exact same day she knows what she has to do stop her boyfriend from breaking up with her But it seems no matter how many do overs she gets or how hard Ellie tries to repair her relationship Tristan always seems bent set on ending it Will Ellie ever figure out how to fix this broken day Or will she be stuck in this nightmare of a Monday forever From the author of 52 Reasons to Hate My Father and The Unremembered trilogy comes a hilarious and heartwarming story about second and third and fourth and fifth chances Because sometimes it takes a whole week of Mondays to figure out what you really want **Fifty Two Mondays** Marianne J.
