

# REVIEW CHAPTER 1

1. Prince George Corp. has a book net worth of \$13,205. Long-term debt is \$8,200. Net working capital, other than cash, is \$2,575. Fixed assets are \$17,380. How much cash does the company have? If current liabilities are \$1,630, what are current assets?

2. Indicate the effect that the following will have on the operating cycle. Use the letter I to indicate an increase, the letter D for a decrease, and the letter N for no change:

- Average receivables goes up.
- Credit repayment times for customers are increased.
- Inventory turnover goes from 3 times to 6 times.
- Payables turnover goes from 6 times to 11 times.
- Receivables turnover goes from 7 times to 9 times.
- Payments to suppliers are accelerated.

3. The Charella Coffee Company has projected the following quarterly sales amounts for the coming year:

	Q1	Q2	Q3	Q4
Sales	\$720	\$750	\$830	\$910

a. Accounts receivable at the beginning of the year are \$310. Charella has a 45-day collection period. Calculate cash collections in each of the four quarters by completing the following:

	Q1	Q2	Q3	Q4
Beginning receivables				
Sales				
Cash collections				
Ending receivables				

b. Rework (a) assuming a collection period of 60 days.

c. Rework (a) assuming a collection period of 30 days.

4. Consider the following financial statement information for the Cariboo Corporation:

Item	Beginning	Ending
Inventory	\$10,583	\$12,142
Accounts receivable	5,130	5,340
Accounts payable	7,205	7,630
Credit sales		\$97,381
Cost of goods sold		69,382

Calculate the operating and cash cycles. How do you interpret your answer? Assume 365 days in a year.

5. You've worked out a line of credit arrangement that allows you to borrow up to \$50 million at any time. The interest rate is .53 percent per month. In addition, 5 percent of the amount that you borrow must be deposited in a non-interest-bearing account. Assume that your bank uses compound interest on its line of credit loans.

a. What is the effective annual interest rate on this lending arrangement?

b. Suppose you need \$15 million today and you repay it in six months. How much interest will you pay?

Macroeconomics David Miles, Andrew Scott, Francis Breedon, 2012-04-09. Macroeconomics: Understanding the Global Economy 3rd Edition is to help students and indeed anyone understand contemporary and past economic events that shape the world we live in and at a sophisticated level. But it does so without focusing on mathematical techniques and models for their own sake. Theory is taken seriously so much so that the authors go to pains to understand the key aspects of theories in a way that will not put people off before they see how theories are useful to analyse issues. The authors believe that theories are essential to better understand the world; thus the book includes a wealth of historic and current episodes and data to both see how theories can help interpret the world and also to judge their validity. Economies today are very interconnected: what happens in China matters pretty much everywhere and what happens in one even small country in the euro zone has implications for the whole euro area and beyond. Consequently, Macroeconomics 3rd Edition adopts a very international focus.

**Cash Transfers for Inclusive Societies** Jiaying Zhao, Saugato Datta, Dilip Soman, 2023-10-10. The latest title in the Behaviourally Informed Organizations series offers practical advice on how best to successfully design, deliver and evaluate efficient cash transfer programs with a view to alleviating poverty. While much progress has been made in reducing poverty worldwide, especially in the pre-pandemic era, it is fair to say that an unacceptably large proportion of the world's people still live in poverty. Cash Transfers for Inclusive Societies sheds light on the widely prevalent cash transfer programs. The book asks these central questions: What is the state of the art in the development of welfare programs? What do we know works in these programs and what does not? How can an

understanding of behavioral science better inform the design delivery and evaluation of welfare programs The latest title in the Behaviourally Informed Organizations series the book develops a nuanced framework for how governments practitioners and society in general should design cash transfer programs to improve inclusivity reduce poverty and improve equality It draws on field experiments and case studies to showcase past successes while also building frameworks and developing prescriptive advice that we can give to practitioners who are looking to design a behaviorally informed cash transfer program With contributions from leading academics as well as seasoned practitioners Cash Transfers for Inclusive Societies presents a new model to policymakers to study and shift the discourse on poverty alleviation from purely economic factors to also behavioral ones *Justice of the Peace and Local Government Review* ,1901 *The Complete Social Media Community Manager's Guide* Marty Weintraub,Lauren Litwinka,2013-01-04 A unique approach to today s hottest new job in social media Today s social community managers use social media platforms and act as brand evangelists and community advocates From creating viral content to crisis communication to leveraging community content social managers manage online social communities and deal with what comes Luckily *The Complete Social Media Community Manager s Guide Essential Tools and Tactics for Business Success* is the perfect resource for how to do this increasingly high profile and crucial job The book features proven tactics and techniques for effective management and includes more than 40 field tested tools and templates If you re a social community manager learn how to grow a community and achieve the results you need Topics include a detailed guide to today s social media platforms how to organize and successfully share content using metrics and reporting and more Helps social media community managers develop cultivate and convert their social media communities Does a deep dive into today s crucial social media platforms Provides a complete toolkit of over 40 field tested tools and templates on everything from how to craft a plan to developing an editorial calendar tracking results and more Explains how you can organize and successfully share content among your target community and how to leverage that content to further amplify your message *The Complete Social Media Community Manager s Guide Essential Tools and Tactics for Business Success* is a must have resource for one of the hottest new careers in today s social world **God and Money** Nimi Wariboko,2008-01-01 Making a case for a denationalized global currency as an alternative to the dollar euro and yen as the world vehicular and reserve currencies *God and Money* explores the significance and theological ethical implications of money as a social relation in the light of the dynamic relations of the triune God Wariboko deftly analyzes the dynamics at work in the global monetary system and argues that the monarchical currency structure of the dollar euro and yen may be moving toward a trinitarian structure of a democratic world currency Ken Follett Carlos Ramet,1999 This study which should appeal to both the scholar and the general reader concludes with an assessment of Ken Follett s work so far and demonstrates that while he is part of a continuum he has uniquely transformed his chosen genre the thriller and has made a significant contribution to popular cultural forms **BOOK JACKET** **Finance and Security** Martin S. Navias,2019-11-01 The

global financial sector is increasingly vulnerable to penetration by criminal money launderers financiers of terrorism and proliferators of weapons of mass destruction At the same time it offers instruments that can be usefully employed to pursue foreign and security policy objectives It is thus hardly surprising that finance has emerged as an arena of intense competition if not conflict between those seeking to exploit or attack this vital element of state power and those tasked with defending its integrity or harnessing it for legal purposes Navias assesses the key threats to financial systems and shows how the public and private sectors are co operating to contain them He analyses the main characteristics of criminal money laundering and terrorist financing and reviews major multilateral and national regimes locked in the perpetual battle to shore up the financial sector against these constantly evolving security challenges He also considers the uses of finance in support of key sanctions counter proliferation and arms embargo policies Uniquely Finance and Security views these financial threats and weapons through a security and war studies prism It will be equally invaluable to scholars of security and international relations and to professionals working in the legal banking and compliance professions
