Monique And The Mango Rains:

Monique and the Mango Rains Kris Holloway, 2006-07-20 In a remote corner of West Africa Monique Dembele saved lives and dispensed hope every day in a place where childbirth is a life and death matter Monique and the Mango Rains is the compelling story of the authors decade long friendship with Monique an extraordinary midwife in rural Mali It is a tale of Moniques unquenchable passion to better the lives of women and children in the face of poverty unhappy marriages and endless backbreaking work as well as her tragic and ironic death In the course of this deeply personal narrative as readers immerse in village life and learn firsthand the rhythms of Moniques world they come to know her as a friend as a mother and as an inspired woman who struggled to find her place in a male dominated world *Study Guide: Monique and the Mango Rains by Kris Holloway (SuperSummary)* SuperSummary, 2019-06-09 SuperSummary a modern alternative to SparkNotes and CliffsNotes offers high quality study guides for challenging works of literature This 52 page guide for Monique and the Mango Rains by Kris Holloway includes detailed chapter summaries and analysis covering 11 chapters as well as several more in depth sections of expert written literary analysis Featured content includes commentary on major characters 25 important quotes essay topics and key themes like Family and traditional patriarchal relationships and Cultural relativism

Monique and the Mango Rains Kris Holloway, 2011-05-05 Monique Dembele saves lives and dispenses hope in a place where childbirth is a life and death matter Her unquenchable passion to improve the lot of the women and children in her West African village is matched by her buoyant humour in the face of unhappy marriage and backbreaking work This is the deeply compelling story of the rare friendship between a young development volunteer and this midwife who defies tradition and becomes too early in her own life a legend **Birth** Sylvie Donna, 2010-10 A book for pregnant women who would prefer to give birth with as little intervention as possible so as to make things as good as possible for both themselves and their babies The countdown takes the reader through 10 key topics and all discussion of issues is supplemented with birth stories and comments from all kinds of women and professionals too The tone is practical reassuring and even inspirational because the many positive birth stories show how it s possible to have a really happy healthy experience of birth Contributions come from Janet Balaskas the woman who realised we re better off not lying down when we give birth Michel Odent pioneer of water births and Bill Bryson the travel writer as well as from many other experts and ordinary but extraordinary mothers who made this book possible The advice is based on current research evidence and in any cases where the evidence is controversial the research and relevant issues are discussed in an optional extra notes section at the back of the book There is a comprehensive Glossary of pregnancy terms and a user friendly Index so as to make it an optimally useful book in all sense of the word In short this is a handbook which could make a real difference to a pregnant woman s experience and also to that of her baby A comment from an antenatal teacher What every woman will want to know put simply and clearly A comment from a midwife perinatal researcher and adjunct professor Betty Anne Daviss Sylvie has

created a prescription for healthy birth in a 10 step approach to keep parents focused on what is important in a potentially disastrous birth environment She has provided us with a book that encapsulates anything you wanted to know about keeping your birth normal and healthy And a comment from a mother Had a very late night Friday as I could not put your book down Wow

Instructor's Manual to Accompany Monique and the Mango Rains, 2007 **Integrating a Social**

Determinants of Health Framework into Nursing Education Jill B. Hamilton, Beth Ann Swan, Linda

McCauley, 2023-02-10 The purpose of this ground breaking Textbook is to describe and illustrate with pedagogical features the process by which social determinants of health SDOH has been integrated throughout all courses in the Nell Hodgson Woodruff School of Nursing Specifically the authors describe initial steps to develop a comprehensive SDOH model for nursing education followed by rigorously designed faculty educational materials exemplars of SDOH instructional materials and evaluation of this process from faculty and students It describes a comprehensive framework that guides the development implementation and evaluation of SDOH across the pre licensure and post licensure curriculum and illustrate the process integrating SDOH throughout all aspects of didactic simulation and clinical education Among the subjects addressed the history of nursing and SDOH and the value of SDOH content in nursing courses to alleviate health disparities are described and mandates to integrate SDOH content into nursing curriculum by the leading nursing organizations are summarized The authors also include a review of existing SDOH frameworks used in public health and medicine and present a comprehensive SDOH model for nursing education A SDOH educational course content for faculty is detailed Social Determinants of Health 101 and exemplars from faculty and students are provided along with an evaluation after the first year The authors conclude with a discussion from faculty leadership what they learned and their suggestions to other nursing programs Although there are books published no books exist on this topic for nursing education and practicing nurses yet SDOH is foundational to nursing curriculum and practice The leading nursing organizations are all mandating that SDOH be integrated into nursing courses Hence this textbook will be a key resource for Schools of Nursing in the US and globally The intended audience of this book are leaders and faculty of nursing education programs national professional nursing organizations practicing nurses at hospitals and health systems community and public health agencies and ambulatory care

Birth in Eight Cultures Robbie Davis-Floyd, Melissa Cheyney, 2019-01-10 This stunning sequel to Brigitte Jordan's landmark Birth in Four Cultures brings together the work of fifteen reproductive anthropologists to address core cultural values and knowledge systems as revealed in contemporary birth practices in Brazil Greece Japan Mexico the Netherlands New Zealand Tanzania and the United States Six ethnographic chapters form the heart of the book three of which are set up as dyads that compare two countries each demonstrates the power of anthropology's cross cultural comparative method An additional chapter with ethnographic vignettes gives readers a feel for what fieldwork is really like on the ground The eminently readable theoretically rich chapters are enhanced by absorbing stories photos quotes thought questions and film

suggestions that nudge the reader toward eureka flashes of understanding and render the book suitable for undergraduate and graduate audiences alike **Medical Anthropology in Ecological Perspective** Ann McElroy, 2018-04-19 Global environmental change and recent worldwide infectious disease outbreaks make the ecological perspective of medical anthropology more important a field of study than ever In this premier teaching text authors Ann McElroy and Patricia K Townsend integrate biocultural environmental and evolutionary approaches to the study of human health providing a complete and authoritative ecological perspective that is essential for interpreting medical anthropology Research by biological anthropologists archaeologists and paleopathologists illuminates the history and prehistory of disease along with coverage of contemporary health issues both local and global This sixth edition is thoroughly revised and updated with expanded discussion on the interaction of environment and infectious disease new material on climate change globalization and the effects of war on physical and mental health and an entirely new chapter on ethics in community health and medical anthropology *Medical Anthropology in Ecological Perspective* captures the essentials of the discipline and covers its ever changing topics trends and developments in an engaging accessible way *African Women's Unique Vulnerabilities to HIV/AIDS* L. Fuller, 2008-10-27 This is an in depth look at the biomedical socio cultural economic legal and political and educational vulnerabilities faced by the population that is most vulnerable to the risk of contracting HIV AIDS African women

Immersion Ted Conover, 2016-10-24 Over three and a half decades Ted Conover has ridden the rails with hoboes crossed the border with Mexican immigrants guarded prisoners in Sing Sing and inspected meat for the USDA His books and articles chronicling these experiences including the award winning *Newjack* *Guarding Sing Sing* have made him one of the premier practitioners of immersion reporting In immersion reporting a literary cousin to ethnography travel writing and memoir the writer fully steps into a new world or culture participating in its trials rites and rituals as a member of the group The end results of these firsthand experiences are familiar to us from bestsellers such as *Nickel and Dimed* and *Behind the Beautiful Forevers* But in a world of wary strangers where does one begin Conover distills decades of knowledge into an accessible resource aimed at writers of all levels He covers how to get into a community how to conduct oneself once inside and how to shape and structure the stories that emerge Conover is also forthright about the ethics and consequences of immersion reporting preparing writers for the surprises that often surface when their piece becomes public Throughout Conover shares anecdotes from his own experiences as well as from other well known writers in this genre including Alex Kotlowitz Anne Fadiman and Sebastian Junger It s a deep in the trenches book that all aspiring immersion writers should have in hand as they take that first leap into another world *Sixty Years of Service in Africa* Julius A. Amin, 2023-10-06 Based on previously unused primary sources obtained from both sides of the Atlantic this study provides a more fundamental consistent and balanced source based assessment of the role of the U S Peace Corps across its entire existence in Africa The study sheds light on a new and intriguing historical perspective of the Peace Corps meaning and significance Though the

main trust is Cameroon the study offers a window to understanding Peace Corps performance in all of Africa and the larger global community It examines Volunteers service in countries including Nigeria Ghana Togo and Guinea showing how the agency transitioned from a Cold War agency to the Post Cold War era while asking important questions about the continuous relevance of Peace Corps in Africa In addressing the topic the book goes beyond the Peace Corps and delves into America s Achilles heels which was the culture of anti black racism showing how it impacted U S foreign policy in the post World War II era The book interrogates modernization theories showing how those ideas shaped the creation of the Peace Corps but ultimately contributed to the agency s problems The book questions the Peace Corps effectiveness as a development organization and much more Yet for all the agency s problems the Peace Corps served as a rite of passage for returned Volunteers to make everlasting contributions to American life and society This book contributes to modern African and American studies and to diplomatic history

Post-Colonial Cameroon Joseph Takougang, Julius A. Amin, 2018-06-13 In this unique volume leading scholars examine how Cameroonians organize and experience their lives under Cameroonian leadership and local responses to that leadership The volume offers essential case studies that allow us to examine the lives of ordinary people in post colonial Africa through five lenses politics society and culture economy international relations and migration It places the nation s contemporary challenges within a broader political economic and socio cultural context and uses that to make recommendations for future directions The book also celebrates areas in which the country has done well and calls on its citizens to build on those achievements This volume is forward looking and as such raises important questions about issues of development ethnicity wealth poverty and class

African Immersion Julius A. Amin, 2014-12-18 Based on previously unused primary sources including extensive interviews in Cameroon personal journals diaries responses to questionnaires and a variety of secondary sources this study is a critical analysis of US study abroad programs in Africa Using the University of Dayton Cameroon Immersion program as a case study the work examines different aspects of experiential learning including selection orientation activities of US college students in Cameroon post immersion meetings and impact of program The nation of Cameroon and University of Dayton are uniquely ideal for the study as Cameroon is considered Africa in miniature and serves as a window to understanding many of Africa s political economic cultural and social complexities Located in the American Midwest the University of Dayton while unique shares many similarities with other American universities The study expands the boundaries of scholarship on study abroad By comparing the impact of the African experience on students to that of Returned Peace Corps Volunteers who served in that continent the study opens up avenues for comparative analyses Africa is vital to the global community and with its complex political economic cultural and social systems offers important lessons to understanding students ability to adapt to change in a rapidly changing global environment

African, American David Peterson del Mar, 2017-06-15 Africa has long gripped the American imagination From the Edenic wilderness of Edgar Rice Burroughs's Tarzan novels to the black Zion of Garvey's Back to Africa movement all manner of Americans whether white or black male or female have come to see Africa as an idealized stage on which they can fashion new more authentic selves In this remarkable panoramic work David Peterson del Mar explores the ways in which American fantasies of Africa have evolved over time as well as the role of Africans themselves in subverting American attitudes to their continent Spanning seven decades from the post war period to the present day and encompassing sources ranging from literature film and music to accounts by missionaries aid workers and travel writers African American is a fascinating deconstruction of Africa as it exists in the American mindset [A Companion to Medical Anthropology](#) Merrill Singer, Pamela I. Erickson, 2015-04-20 A Companion to Medical Anthropology examines the current issues controversies and state of the field in medical anthropology today Provides an expert view of the major topics and themes to concern the discipline since its founding in the 1960s Written by leading international scholars in medical anthropology Covers environmental health global health biotechnology syndemics nutrition substance abuse infectious disease and sexuality and reproductive health and other topics [Encyclopedia of Women in Today's World](#) Mary Zeiss Stange, Carol K. Oyster, Jane E. Sloan, 2011-02-23 This work includes 1000 entries covering the spectrum of defining women in the contemporary world

Climate Change and Social Inequality Merrill Singer, 2018-10-03 The year 2016 was the hottest year on record and the third consecutive record breaking year in planet temperatures The following year was the hottest in a non El Nino year Of the seventeen hottest years ever recorded sixteen have occurred since 2000 indicating the trend in climate change is toward an ever warmer Earth However climate change does not occur in a social vacuum it reflects relations between social groups and forces us to contemplate the ways in which we think about and engage with the environment and each other Employing the experience near anthropological lens to consider human social life in an environmental context this book examines the fateful global intersection of ongoing climate change and widening social inequality Over the course of the volume Singer argues that the social and economic precarity of poorer populations and communities from villagers to the urban disadvantaged in both the global North and global South is exacerbated by climate

change putting some people at considerably enhanced risk compared to their wealthier counterparts Moreover the book adopts and supports the argument that the key driver of global climatic and environmental change is the global economy controlled primarily by the world's upper class which profits from a ceaseless engine of increased production for national middle classes who have been converted into constant consumers Drawing on case studies from Alaska Ecuador Bangladesh Haiti and Mali *Climate Change and Social Inequality* will be of great interest to students and scholars of climate change and climate science environmental anthropology medical ecology and the anthropology of global health *Historical Dictionary of Mali* Pascal James Imperato, Gavin H. Imperato, 2008-04-25 Mali is currently the seventh largest country in Africa It shares borders with Mauritania and Senegal in the west Algeria in the north Guinea and Ivory Coast in the south and Burkina Faso and Niger in the east After decades of dictatorship in 1992 a new democratic constitution was adopted and today Mali is one of the most politically and socially stable countries in Africa While Mali still has a long way to go with their economy they are considered to be among the 10 poorest countries in the world they continue to make progress and their increase in cereal and gold production are steps in the right direction The fourth edition of the *Historical Dictionary of Mali* through its chronology bibliography introductory essay and over 500 cross referenced dictionary entries on important persons places events and institutions and significant political economic social and cultural aspects provides an important reference on this African country
