Monks in the World William Thiele, 2014-02-03 In this moving spiritual memoir Dr William Thiele shares inspiring stories of the birthing of a monastery without walls among everyday women and men around New Orleans after the devastation of Hurricane Katrina in 2005 Along the way core contemplative attitudes practices and principles were discovered He offers these stories of birthing a School for Contemplative Living as a challenging call to a frantic and polarized world Readers will be drawn toward their own spiritual transformation as they encounter imperfect monks with messy lives who are practicing God's presence and learning to serve the world from that presence He encourages readers to join these monks in the world by forming contemplative communities who radiate loving kindness as their first priority *In Case of Katrina* Ellen Jeffery Blue, 2016-08-04 Since six months after landfall Ellen Blue has taught The Church's Response to Katrina It sidesteps disaster response where clearly the church should be involved What was unclear was how leaders in a connectional denomination like United Methodism should decide which churches to merge or decommission after floods destroyed seventy churches and displaced ninety pastors and no one knew how many members would return Katrina gave the church a chance to re make itself without deteriorating structures in no longer thriving neighborhoods Yet as members returned to chaos they sought solace Should the church meet needs for Sanctuary and reassurance or use newfound flexibility to seek justice *In Case of Katrina* examines leadership strategies and the theological convictions that underlay them during the struggle to decide The larger United Methodist Church controls real estate and the hierarchy had the power to choose Instead they let verdicts spring primarily from congregants and pastors on the ground through a long controversial process Recovery has been entwined with issues of race and class Cooperation among African American and Anglo congregations has birthed vibrant multi racial worship and ministries Yet other prophetic ministry was left undone and it should set the agenda for the next decade embed container position relative padding bottom 56 25% height 0 overflow hidden max width 100% embed container iframe embed container object embed container embed position absolute top 0 left 0 width 100% height 100% **The Advent of God's Word** Rev. The Solace of Fierce Landscapes Belden C. Lane, 2007-02-26 In the tradition of Kathleen Norris, Terry Tempest Williams and Thomas Merton, *The Solace of Fierce Landscapes* explores the impulse that has drawn seekers into the wilderness for centuries and offers eloquent testimony to the healing power of mountain silence and desert indifference. Interweaving a memoir of his mother's long struggle with Alzheimer's and cancer, meditations on his own wilderness experience, and illuminating commentary on the Christian via negativa, a mystical tradition that seeks God in the silence beyond language, Lane rejects the easy affirmations of pop spirituality for the harsher but more profound truths that wilderness can teach us. There is an unaccountable solace that fierce landscapes offer to the soul. They heal as well as mirror the brokenness we find within. It is this apparent paradox that lies at the heart of this remarkable book that inhuman landscapes should be the source of spiritual comfort. Lane shows that the very indifference of the wilderness can release us from the demands of the endlessly anxious ego, teach us to ignore the inessential in our own lives, and enable us to transcend the false self that is ever obsessed with managing impressions. Drawing upon the wisdom of St. John of the Cross, Meister Eckhardt, Simone Weil, Edward Abbey, and many other Christian and non-Christian writers, Lane also demonstrates how those of us cut off from the wilderness might make some desert in our lives. Written with vivid intelligence, narrative ease, and a gracefulness that is itself a comfort, *The Solace of Fierce Landscapes* gives us not only a description but a performance of an ancient and increasingly relevant spiritual tradition
