A NOTE FROM THE OFFICE:

Spring is here!

We have enjoyed so many fun and exciting celebrations in the past few months. There have been many birthdays, both staff and students, as well as holiday parties and parades.

As we look forward into the upcoming months, we are eagerly anticipating many more events to share!

our Spring Concert is only a few weeks away! The children are so excited to perform Seussical Jr. in front of a live audience for the first time in 4 years! We have been practicing every day so that we are ready to show all of you. School will close at 2pm on the day of the show so that we can get the theater ready. Our performance will begin at 5pm on May 17th. Tickets are \$18 each. We hope to see you all there!

We are also looking forward to the end of the academic school year. Graduation for our Pre-Elementary students will be on June 23rd. They have worked hard all year and we are so proud of all of their accomplishments!

Graduation day also signals the start of our summer program. This year we are taking a trip through time and plan to learn about many different eras and what activities made them unique.

It is hard to believe that this school year is already coming to a close, but we are sure going to make the most of these next few months.

"You're off to great places! Today is your day! Your mountain is waiting, so get on your way! - Dr. Seuss

Trauma-Informed Practice in Montessori Classrooms Bernadette Phillips, Catriona O'Toole, Sinéad McGilloway, Stephen Phillips, 2024-12-12 Trauma Informed Practice in Montessori Classrooms provides important historical and contemporary evidence of the potential for Montessori schools to act as healing environments for children and young people Drawing upon fascinating archival evidence and contemporary trauma theory it shows how authentic Montessori schools already have the infrastructure to promote and embed trauma informed practice TIP in their classrooms The book provides cutting edge interdisciplinary knowledge on trauma and

highlights its potential to negatively impact the emotional social and cognitive functioning of children and young people It explains clearly and precisely the principles of TIP and how historically these were woven into the fabric of the early Montessori schools resulting in their reputation as Case della Salute or Health Homes The book shows how this almost forgotten healing element of Montessori schools can be revived harnessed and promoted in ways that would benefit the overall health and well being of children and young people This timely book is highly informative hugely practical and reader friendly It includes features such as boxed chapter objectives learner outcomes vignettes chapter summaries and questions for group discussion It provides an invaluable guide for Montessori teachers and students for home educators using the Montessori approach and for non Montessori educators and parents **Simple Elegance** Daniel Lewis,2000-07-25 My idea for the front cover is I submit the sketch as an example for the cover I see the book as a journal and would like the cover to appear like a journal cover I thought the sketch might be used as a wrap around cover for the book either as is or with water color washes of the sky ocean beach and van or Perhaps the sketch would fit as a 4x6 or 2x3 insert on that journal cover
