

A romantic couple is seen from behind, walking along a sandy beach towards the ocean. The man is wearing a light blue long-sleeved shirt and dark blue trousers, while the woman is wearing a white short-sleeved dress. They are holding hands and walking in the shallow surf. The sky is a warm, golden yellow, and the waves are gently breaking in the background. The overall mood is peaceful and intimate.

More Than a Promise Kristen James, Second Gift Series Book 2 Cassie escapes to Ocean View Stables on the Oregon Coast to cope with the three year anniversary of her husband's death She's starting to dream about her future being happy and even romance again A safe romance that is where people don't die She runs into Ethan Caldwell the cute boy who teased her through grade school He sure grew up into a man who would catch anyone's eyes Now he's a single dad to nine year old Isabel who talks about her parents getting back together as soon as her mom is out of rehab Isy also talks about her dad's work trips Apparently Ethan has some kind of dangerous and secretive government job Cassie wants to run but she loves spending time with both Ethan and Isy This isn't at all what Cassie is looking for So why is she running full speed into another broken heart Teaser Want to go swimming Ethan asked She was busy thinking and thought she misunderstood him but the expectant smile on his face told her otherwise Right now He got up and stuck out a hand Before she could think the situation over or create a good reason to say no he had grabbed her hand and was pulling her toward the river looking back once to grin mischievously We're being sneaky I'm not wearing a swimsuit Same old Ethan He'd always been a dare devil He let go of her hand to pull off his shirt The moonlight silhouetted his body as he walked closer to the water his shorts dropping Either he hadn't been wearing underwear or he dropped them with his shorts It was nothing but skin She looked away pretending she didn't just see his naked body his very toned naked body I can show you the world he sang as he walked toward the water Take you wonder by wonder Was that from the movie Aladdin She giggled She couldn't help it she giggled like a little school girl Over sideways and under Could he possibly be thinking the same things she was This man was not like those other guys the ones who wanted to sit in a restaurant and ask her about life plans I won't look he said wading in with a hint of repressed laughter From the author I'm so excited about this story Ethan might be my best hero yet He's deeply committed to people he loves like Trent is from More Than Memories and he's wounded like Jason in Embers of Hope He's also daring and super romantic I'm dying to share this story with you Also by Kristen James Stranger in my Bed series romantic thriller It's All In My Head new adult sweet More Than Memories A Cowboy for Christmas The Cowboy Kiss A Spy for Christmas A Special Ops Christmas

Embers of Hope Kristen James, 2011-07-19 Second Gift Series Book 1 Savanna Thompson knows what it's like when you blink and your life shatters She's been hiding her divorce from her best friend Cassie but she knows she can't any longer Cassie's husband a firefighter just died Savanna rushes home along with her one year old daughter to help and now she's staying with Cassie in a nursery meant for a baby that won't ever exist She will fix their relationship but it's complicated with Jason around He's the firefighter who saved Savanna's life two and a half years ago He just lost his best friend and like Cassie he blames himself for Mike's death When he convinced Mike to remain with the department how could he know Mike would die fighting a house fire Though hurting herself something deep inside her won't let her walk away Jason needs her but she's off limits on so many levels She's falling for this sexy firefighter but he

confuses her to no end Being stuck in the middle is enough stress plus her own problems are festering behind her helping smile Can Savannah find the balance between loving Jason helping Cassie and taking care of herself and her daughter Or is she going to lose this bet and her best friend What are readers saying I was looking forward to a good story about friendship and love and your story did not disappoint I haven't been in Savannah's or Cassie's situation personally but I was able to feel all of the emotions they were going through as they dealt with the changes in their lives I can't imagine the overwhelming feeling of loss and hopelessness that Cassie was facing after her husband died I think you did a great job of showing her in a bit of a free fall distancing herself from friends and family changing the outside of her life taking down the pictures of her and Mike but unable to change her inner feelings of anger and hurt and acting out by doing things she might not ordinarily do I really loved how both Savannah and Jason both were deeply affected by their first meeting The way you described it from both perspectives was great and really helped the reader see what they were going through in those scary moments in the fire It gave them some history without a history if that makes any sense It also added an additional layer to the complications in Savannah and Cassie's friendship as well I really liked the way everything wrapped up but I feel like Cassie may have more love in her still so maybe she needs a follow up romance of her own from an email from a reader **A**
