

When a Wise Woman Leads

When a wise woman leads, she calls a circle and makes a space
for stories to be shared, hopes to be uttered, revelation to unfold.

When a wise woman leads, she leads from stillness—
where she gathers herself, mines her experience,
and turns her wisdom into story.

When a wise woman leads, she dares to be vulnerable,
dares to be real, dares to speak from a place of unknowing.

When a wise woman leads, the experience of the journey
is as important as arriving.

When a wise woman leads, she thinks with her head,
ponders with her heart, decides with her soul.

When a wise woman leads, she knows when to leave,
when to let go, and when to push on.

When a wise woman leads, she speaks with the intensity
of fire, the freshness of air, the groundedness of earth,
the depth of the sea.

When a wise woman leads, she bears witness to our oneness
and chooses what is best for the common good.

She is a tempest against injustice, a torrent of hopefulness,
a wellspring of wisdom.

She leads for the benefit of all beings,
that life will be sustained, that well-being will prevail,
that goodness will shine over all our days.

More Than A Wise Woman:

More Than a Womb Lisa Wilson Davison, 2021-07-30 This book lifts up women of the Hebrew Bible who working with the Divine play amazing roles in the stories of Israel prophet judge worship leader warrior scholar scribe They helped people celebrate the Divine's triumph over oppression They spoke boldly to those in power They went into battle to secure their people's safety They gave wise judgments in important legal matters They authenticated sacred texts and inspired a reform to help Israel return to the way of Torah In roles that were not tied to their wombs or fertility these women made Israel's story possible and helped it to continue to future generations

Out of the Shadows Kate Bruce, 2024-05-30 The story of the Bible is most often told as the story of men from patriarchs to prophets kings disciples and apostles But women are there sometimes in the background sometimes striding powerfully onto the stage Their stories are frequently moving prophetic and often good news Sometimes they experience appalling violence and abuse which needs to be named In some examples their behaviour is less than appealing and power is misused which needs acknowledgement and exploration In this volume Bruce and Shercliff continue to explore the stories of the women of the bible offering exegesis and comment enabling preachers and readers with a more general interest to encounter and appreciate more of the female characters in scripture Again they seek to inspire imaginative approaches in preachers combining commentary and homiletic textbook

Development of an Icon John W. Herbst, 2016-10-31 The most extensive royal accounts in the Hebrew Bible are those of kings David the Succession Narrative usually identified as 2 Sam 9 20 and 1 Kgs 1 2 and Solomon the Solomon Story 1 Kgs 3 11 Yet even though Solomon immediately follows David in the Deuteronomistic History little has been done to correlate these accounts But what if these passages were meant to be read together Utilizing the Double Redaction theory Herbst proposes that an exilic Deuteronomist inserted the Succession Narrative into the Deuteronomistic History then revised the Solomon Story in light of this addition His key contribution was 1 Kings 1 2 a passage designed to connect the two larger sections highlighting the similarities and differences of the two kings Interpreting the composition history of 2 Samuel and 1 Kings in this way gives new insight into the Deuteronomist's views regarding kings and kingship This approach also solves many of the problems of the Solomon story in which the narrator appears to simultaneously praise and criticize Solomon And along the way Herbst offers new insights into individual passages further enhancing our understanding of the message of the Deuteronomistic History

The Life and Adventures of a Clever Woman Frances Milton Trollope, 1864 Charlotte Morris a young woman raised by her father with the help of his sister in law is determined to live her life to be recognized as a person of fortune fashion and talent and to have a lifelong enjoyment of admiration influence and renown Aware that a good marriage is important in her social world she marries Cornelius Folkstone Once the ceremony is over he attempts to dominate her by any means finally resorting to locking her up on bread and water until she will agree to his terms Charlotte resists until Cornelius dies leaving her in widowhood a happy state of singleness that society won't allow to a single girl
