## **More Than Numbers Yongi Cho:**

David Yonggi Cho Wonsuk Ma, 2017-11-29 This book is a serious attempt by Asian scholars to reflect on various aspects of the Asian Pentecostal movement. It joins a small but growing list of works on this critical subject. Second, it presents an Asian perspective on one of the most important figures in Asian Pentecostalism in this generation: Dr. David Yonggi Cho, who clearly stands out as one of the most preeminent Pentecostals anywhere in the world. *To the Ends of the Earth* Allan Anderson, 2013-02-21 No branch of Christianity has grown more rapidly than Pentecostalism, especially in the southern hemisphere. There are over 100 million Pentecostals in Africa. In Latin America, Pentecostalism now vies with Catholicism for the soul of the continent, and some of the largest Pentecostal congregations in the world are in South Korea. In *To the Ends of the Earth*, Allan Anderson explores the historical and theological factors behind the phenomenal growth of global Pentecostalism. Anderson argues that its spread is so dramatic because it is an end-of-the-earth movement. Pentecostals believe that they are called to be witnesses for Jesus Christ to the furthest reaches of the globe. His wide-ranging account examines such topics as the Azusa Street revival in Los Angeles, the role of the first missionaries in China, India, and Africa; Pentecostalism's incredible diversity due to its deep local roots and the central role of women in the movement. He describes more recent developments such as the creation of new independent churches, megachurches, and the health and wealth gospel, and he explores the increasing involvement of Pentecostals in public and political affairs across the globe. Why is this movement so popular? Anderson points to such features as the emphasis on the Spirit, the born-again experience, incessant evangelism, healing, and deliverance; cultural flexibility; a place to feel at home; religious continuity; an egalitarian community; and meeting material needs, all of which contribute to Pentecostalism's remarkable appeal. Exploring more than a century of history and ranging across most of the globe, Anderson illuminates the spectacular rise of global Pentecostalism and shows how it changed the face of Christianity worldwide. **More Than Numbers** Paul Y. Cho, 1986 **The Charismatic Movement** Charles Edwin Jones, 1995 Christianity Made in Japan Mark R. Mullins, 1998-10-01 For centuries, the accommodation between Japan and Christianity has been an uneasy one. Compared with others of its Asian neighbors, the churches in Japan have never counted more than a small minority of believers, more or less resigned to patterns of ritual and belief transplanted from the West. But there is another side to the story, one little known and rarely told: the rise of indigenous movements aimed at a Christianity that is at once made in Japan and faithful to the scriptures and apostolic tradition. *Christianity Made in Japan* draws on extensive field research to give an intriguing and sympathetic look behind the scenes and into the lives of the leaders and followers of several indigenous movements in Japan. Focusing on the native response rather than Western missionary efforts and intentions, it presents varieties of new interpretations of the Christian tradition. It gives voice to the unheard perceptions and views of many Japanese Christians while raising questions vital to the self-understanding of Christianity as a truly world religion. This ground-breaking study makes a largely unknown religious world

accessible to outsiders for the first time Students and scholars alike will find it a valuable addition to the literature on Japanese religions and society and on the development of Christianity outside the West By offering an alternative approach to the study and understanding of Christianity as a world religion and the complicated process of cross cultural diffusion it represents a landmark that will define future research in the field      **Construyendo El Reino de Dios ,      CHURCH MEMBERS AND THE RED LIGHT DISTRICTS** JEREMIAH B. MENYONGAI, JR.,2012-09-30 A book that identifies the booby traps that Satan places before church members to sidetrack and derail their Christian assignments and testimonies The book stresses that there are dire consequences when sheep behave like goats      A Full-er Gospel?: Pentecostal Proclamation in New Zealand 1990-2008 Linda Flett,2015 This book draws on the belief statements and official publications of Elim and AOG denominations in New Zealand from 1990 to 2008 in order to test the extent to which this conviction was adhered to A statement that In order to reach New Zealand our methods need to change but not our message provides a framing device inviting the reader to explore their responsiveness to aspects of social change within New Zealand before gauging interest in new methodologies known to have impacted Pentecostal churches in New Zealand during this period Actual changes to evangelistic methodology and salvation terminology is presented from the findings of a quantitative study before the salvation message is re examined It will be evident that not only were new methodologies embraced but views on salvation broadened becoming increasingly holistic dynamic and relational      **Global Renewal Christianity** Amos Yong,Vinson Synan,2016 The growth of Spirit empowered Christianity has been nothing short of phenomenal From a handful of believers in the early twentieth century to a global movement today numbering over 600 million people in almost every culture and denomination those who embrace the Holy Spirit and His gifts are now the fastest growing religious group in the world This book is an authoritative collection from more than two dozen leaders in and scholars of the Spirit empowered movement in Asia and Oceania Focusing on the future of the movement these world renowned scholars address the theological and cultural challenges of the new century and share emerging insights on how the next generation will face them      **God's Missionary People** Charles E. Van Engen,1991-09 A world claiming theology of the church draws on ancient and modern thoughts The author focuses on how the church can grow to become in reality God s missionary people      **The Holy Spirit Movement in Korea** Young-Hoon Lee,2009 This book traces the historical and theological development of the Holy Spirit in Korea through six successive periods      Appropriate Christianity Charles H. Kraft,2005-06-01 Appropriate Christianity consists of 28 chapters by 18 authors approaching contextualization in three dimensions truth allegiance and spiritual power Over the years there have been quite a number of helpful discussions of the contextualization of theological truth Though we have been helped greatly by them it is high time we began to deal also with allegiance and spiritual power two additional dimensions that Jesus considered of great importance Any adequate and appropriate treatment of the contextualization of biblical Christianity needs to deal with all three of these crucial dimensions

For allegiance to Christ is the basis for all we do that makes us Christian and Jesus was very much into spiritual power. If we are to be truly biblical we must deal also with these areas. This book is not a festschrift even though it is dedicated to Dr Dean S Gilliland who joined the faculty of Fuller's School of Intercultural Studies in 1977 and has since been developing an emphasis on teaching and research concerning contextualized theology. This is a new textbook aimed at expanding our understanding of contextualization and better enabling us to effectively and appropriately communicate biblical Christianity.

*The Complete Book of Everyday Christianity* R. Paul Stevens, Robert Banks, 2018-12-01 I am thrilled to know that *The Complete Book of Everyday Christianity* is being relaunched. A well worn first edition of this book sits next to my office desk and I consult it often. There is no better collection of everyday issues examined from a Christian perspective. A wide variety of topics are addressed with a cleverly balanced combination of academic and practical perspectives informed by thoughtful biblical and theological reflection. This is a wonderfully useful tool. I am pleased that it will be available to resource a new generation of Christians who are eager to understand more about what it means to follow Christ in every aspect of life. Alistair Mackenzie, Senior Lecturer, School of Theology, Mission and Ministry, Laidlaw College, Christchurch, New Zealand. Also Director of Faith at Work NZ.

*Dr. David Yonggi Cho* David Yonggi Cho, 2008 A commemorative look at 50 years of Dr Cho's ministry of hope released in time for his retirement this summer. Over the years as he struggled to bring hope to people and build his church, God taught Dr Cho not to depend upon himself but totally upon the Holy Spirit. In this book Dr Cho tells the stories of his temptations and doubts, failures and successes, and how the Holy Spirit was with him in every situation. The teaching in this book will inspire the reader to stand strong in the face of adversity, doubt, and fear. Followers worldwide will add this highly anticipated autobiography to their collection of Dr Cho's coveted works.

**The Tearless Woman** Success J. Aondoawase, 2019-05-24 Woman, why weepest thou? It's a question women have often been asked because of their incessant and inexorable tears occasioned by enormous challenges confronting the womenfolk globally. Indeed, there is no sorrow comparable to women's sorrow which is done to them since the events of Eden. In this book, Success J. Aondoawase unearths useful insights on the cause of violence against women, resulting in untold hardship, pain, sorrow, and death in some instances. The book further provides useful strategies to overcome these attacks and live victoriously as tearless women. It's a must read for all women, married and unmarried, small or great.

**MacArthur 2-in-1** John F. MacArthur, 2014-10-28 The Truth War. Right now, Truth is under attack and much is at stake. Christians are caught in the crossfire of alternative Christian histories, emerging faulty texts, and a cultural push to eliminate absolute Truth altogether. As a result, many churches and Christians have been deceived. Worse still, they propagate the deception that poses itself as Truth. In *The Truth War*, John MacArthur reclaims the unwavering certainty of God's Truth and anchors Christians in the eternal, immovable promises that are found in His Word. Strange Fire: What would God say about those who blatantly misrepresent His Holy Spirit, who exchange true worship for chaotic fits of mindless ecstasy, who replace the biblical gospel with vain illusions of health and

wealth who claim to prophesy in His name yet speak errors and who sell false hope to desperate people for millions of dollars In *Strange Fire* bestselling author and pastor John MacArthur chronicles the unsavory history behind the modern Charismatic movement He lays out a chilling case for rejecting its false prophets speaking out against their errors showing true reverence to the Holy Spirit and above all clinging to the Bible as the inerrant authoritative Word of God and the one true standard by which all truth claims must be tested

**Charis and Charisma** Sung-Hoon Myung, Young-Gi Hong, 2011-06-13 Founded by David Yonggi Cho Yoido Full Gospel Church is the world's largest church This book discusses the factors responsible for the phenomenal growth of this church The book expounds the role played by leadership the Holy Spirit prayer preaching cell groups and creativity in promoting church growth with particular reference to Yoido Full Gospel Church It focuses on God's Grace charis and Inspiring Leadership charisma as the two essential factors for church growth and in this context examines the part David Yonggi Cho's personal charisma and his ideas or principles play in causing growth The purpose of the book is to present a model for church growth worldwide

**Charismatic Christianity as a Global Culture** Karla O. Poewe, 1994 In this important work leading scholars in the fields of religion and anthropology discuss the thought patterns and religious traditions of charismatics throughout the world By examining believers throughout the Americas Africa Asia and Europe the contributors provide a comprehensive overview of a charismatic tapestry that appears to transcend national ethnic racial and class boundaries

*The Second Reformation* Bill Beckham, 2015-11-27 Bill Beckham describes how Jesus used groups of different sizes and relationships three twelve seventy and one hundred and twenty at Pentecost to fulfill his global purpose Beckham demonstrates how we need to relearn Christ's same relational strategy to plant churches and win a lost world for Jesus Christ Beckham shows how many churches today have allowed an Old Testament theology to dictate their ecclesiology He then offers practical advice and clear direction to return to the original way to live Church as an expansion movement like Jesus did In this book Beckham shows how the Cell Church Movement is God's answer to take the church back to a place of fruitfulness and effectiveness
