trials and joys Sundberg encountered not only as a newly single parent but also as someone in full pursuit of life She developed an appreciation for new spiritual practices reclaimed her body through tattoos and even became the problem rather than going along to get along in her professional life From erasure poetry crafted from emails and a court mandated apology letter from her ex husband to engaging with the research of some of the most prominent voices in fifty years of trauma psychiatry and psychology from Judith Herman and Peter A Levine to Bessel van der Kolk *The Answer Is in the Wound* is a profound meditation on trauma and its lasting effects With the formal innovation and radical vulnerability of Carmen Maria Machado's *In the Dream House* and the cerebral precision of Leslie Jamison's *The Empathy Exams* Sundberg's breathtaking collection offers a redemptive arc for trauma survivors and vital insight into what makes healing possible
